CARRIED

George Town Council
SPORTS COMPLEX ADVISORY COMMITTEE MEETING – 5th May 2014
CONFIRMED MINUTES

OUTSTANDING ACTIONS

Craig Mikic has followed up with Grant Mawer regarding the pressed metal door for the Cricket Club. A new door frame is required.

NEW BUSINESS

George Town Football Club

Ricky Youd reported the interchange box was reversed into last Friday morning (2nd May) causing damage to three sheets of steel sheeting. The footy club made safe for the game that weekend but will require attention.

Ricky also requested two new garbage bins for game days around the club house (not on bin stands).

Cricket Club

Bob Pooley raised the Green Army Projects grant program. It was noted that Council is already looking into this program.

It was also noted that the Cricket Club handed over the keys to the Tennis Club and that the Tennis Club should now be invited to attend the Sports Complex Advisory Committee Meetings.

Archery Club

The club has painted the inside of the storage shed at the Archery grounds and installed the guttering on the building. They require plumber assistance to connect the kitchen sink.

There were a number of building related items that the Committee advised the Archery Club to contact Paul O'Grady to discuss including roofing iron and capping and weekly lawn maintenance.

Soccer Club

Dean Gibbons requested clarification around the power for the soccer club.

Security

It was recommended that the topic of security be added to the Council Workshop agenda on Wednesday 7th May 2014.

NEXT MEETING

Monday 2nd June 2014.

MEETING CLOSED

There being no further business, the meeting closed at 6:00pm.

**George Town Council
SPORTS COMPLEX ADVISORY COMMITTEE MEETING – 5th May 2014
CONFIRMED MINUTES**
