OUTSTANDING ACTIONS

Archers Club
Capping on roof still needs a follow up.

George Town Council
SPORTS COMPLEX ADVISORY COMMITTEE MEETING – 4th August 2014
CONFIRMED MINUTES

Footy

Ricky advised that the issues with the training lights tripping were still a problem. Tas Electrical is to inspect.

Ricky also advised that the spoon drain near the back bike track was not working.

Archers Club

Tony McKenzie advised there had been no communication in regard to inspection of the Club for food preparation. Tony advised that the Club is not preparing food there so there is no urgency at this stage.

Tony advised that the flashing still needs to be done.

The Club was unable to shoot last Sunday due to the water on the range. Paul O'Grady advised that nothing could be done this time of year and that Council would be looking at this in November/December.

Cricket Club

Dean Gibbons advised that the stormwater drain between the cricket and football ground was still blocked near the public toilet. Paul advised that Council staff recently dug the drain out to see where it goes underground.

Tim Cory advised that the soccer pitch seems to be draining well.

NEW BUSINESS

Footy Club

Ricky Youd advised that the status and improvements were as reported last meeting.

Archers Club

Tony advised that the grass on the bank at the rear of the range that members had planted had been poisoned. Paul to investigate.

Tony also advised that the Club is currently negotiating with Paringa Archery Club about the possibility of a partnership in running a medieval fete after next Easter. Tony advised that there would be dancers, knights, archery competitions and food vans. If successful this is something that perhaps could be held on an annual basis. Paringa can provide a portable range which is closed off for use during the event.

Tony advised that Club membership has reached double figures with Sunday shoots being popular.

Cricket Club

Bob Pooley thanked Paul for cleaning up the area before the recent successful event at the Club.

Bob advised that the ground is water logged and that he was still preparing a grant submission to the Federal Government for funding for practice nets, new covers and the installation of shutters on the club rooms.

Bob advised that the Club is currently interviewing for a Coach.

George Town Council
SPORTS COMPLEX ADVISORY COMMITTEE MEETING – 4th August 2014
CONFIRMED MINUTES

Hillwood Football Club

Bob McLean referred to a grant from the Liberal Party for \$40,000 to be used on drainage of the ground. Information has been forwarded to the Council and the Club has since made contact with Mr Nic Hansen and has received a quote for the work.

Bob advised that he was hopeful that Council would contribute to the project as part of its maintenance program for the recreation ground. Bob also advised that he had sent correspondence to Anne Cameron in this regard. The State Liberals require approval from George Town Council. It is anticipated that the money will be handed down when the budget is brought down and upon the provision of the required approvals from Council. Bob advised that the work would commence in October and it will take approximately 4 days to complete.

Paul will discuss the application process with Dino De Paoli.

Bob advised that the Club would like to extent the existing Club change rooms and would be putting in a request to Council for the work to be considered in future budgets. Looking at Prime Design possibly drawing up the plans as a sponsorship deal.

Bob advised that as part of the maintenance program each year the Club has to paint the change room floors, because of wear and tear and would like to seek provision of paint from Council to do this in future.

Sand for top dressing is required when the work on the drains is complete.

OTHER BUSINESS

Bob Pooley spoke on the Tasmanian Community Fund program which needs investigation. Members suggested that Anne Cameron be approached in this regard.

NEXT MEETING

Monday 1st September, 2014 – 5.00pm.

MEETING CLOSED

There being no further business, the meeting closed at 5.43pm.
