Participation Level State National International

Please give a brief description of the event, and details of your involvement.

I will be representing our state in the Tasmania Under 15 Schoolboys team. Dedication and hardwork at football clinics, training and tryouts enabled me to be selected bu to participate in the program.

The State Schoolboys program provides additional opportunities for young players like myself to represent Tasmania and sample the intensity of games played on the national stage. The Tasmania State Schoolboys program feeds into the AFL State Academy Under 16 and Under 18 programs that are part of the NAB Rising Stars Program. I feel that the State team could be a stepping stone for me into the wide world of AFL.

I will be required to train over the next several months in preperation for the championships. I have family support to ensure i can travel to practices. I have family supporting me with fundraising efforts to help cover the cost of the initial fees and charges. I am asking the George Town Council to look favourable at my application to ease the stress and finacial burdon on my mother. I have limit resources myself to add to the costs. I am greatful for all support i recieve, I help out my mother and support my local Neighbourhood House whom has informed me of this grant opportunity. I would be happy to provide Council with photos and show my appreciation by advertising your support and providing a thank you letter.

Thank you for your consideration
