1 MESSAGE FROM GENERAL MANAGER

The second quarter of the 2023/2024 financial year has seen many highlights. We enjoyed the Christmas Carnival, which continues to grow each year, in both its offerings and attendance. Likewise, the Council sponsored NYE extravaganza hosted by Neighbourhood House continues to be well supported and is probably the most well attended event of the calendar year.

Over the quarter I attended meetings with the State Government's climate agency ReCFIT and chaired the inaugural steering committee of the Northern Tasmania Alliance for Resilient Councils. Also representing the region on State Climate Committee, I hope to introduce a number of initiatives across our region that will decarbonize operations and enhance climate resilience. On that note I attended a biochar seminar which is a local pilot program working with a local engineering company to design and produce furnaces to create biochar from waste organics material. Council is actively pursuing opportunities, as it continues to investigate ways it can maximize the potential of the organic waste material generated locally.

Continuing on the waste front, JJ's Waste and Recycling Pty Ltd were awarded perhaps Councils largest long-term contract in December, for the provision of kerbside waste and recycling collection. Given JJ's already undertake the service for Council, residents should continue to enjoy a disruption free collection, as JJs transitions to the new contract period.

We continue to meet with multiple parties, at various stages, in industrial and residential investment and developments. The SunCable announcement, having Bell Bay as its preferred site for a submarine cable manufacturing facility, is welcomed news. As is that of Abel Energy who have commenced Front End Engineering Development for the proposed methanol plant at Bell Bay. Both developments will result in many hundreds of jobs for our region, injecting multiple billions into our economy each year.

Organisational performance for the second quarter has been sound. Lower than budget revenue in the order of \$2.3M has been recorded, however there has been timing of operational grants will correct this over the following quarters.

Timing of staff appointments and a reduction in contractor engagement has resulted in a \$900k favourable result for expenditure. With key recruitment appointments to continue into the next quarter shortly, and work activity to scale up over the coming months, it is expected that the third and final quarter results will be closer to forecast.

Customer request performance continues to exceed 90%, meaning customers are contacted in a timely manner, with advice and timing of any action being communicated and delivered.

Readers may recall advocacy that council has undertaken as part of the Future of Local Government Review. Council is pleased that the Government has committed to no forced amalgamations having listened to the sector and community. A copy of the final report can be read at www.futurelocal.tas.gov.au.

I hope you enjoy reading some of the highlights and performance outcomes within.

Shane Power General Manager

3 FINANCIAL REPORT

3.1 FINANCIAL REPORTS

Included in this section are the following financial reports:

- Financial Summary Commentary on the financial reports and key variances to budget.
- Operating Statement Summary of year-to-date financial performance against budget.
- Operating Statement by Department of year-to-date financial performance against budget.
- Financial reserves summary of balances and movement in Council reserves.
- Rates Analysis
- Capital Works Progress Report

3.2 SUMMARY OF FINANCIAL RESULTS - 1 JULY TO 31 DECEMBER 2023

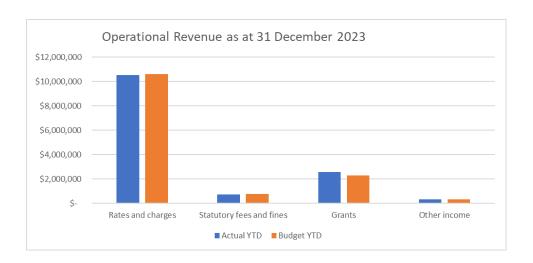

The operating income for the period to 31 December 2023 is \$14.232m or 95.2% of total annual budget (when adjusted for prepaid Financial Assistance Grant income). Against year-to-date budget projections, overall income shows a positive result of \$0.122m because of higher than

budgeted Financial Assistance Grant funding. Operating expenditure year to date is \$7.986m

or 53.6% of total annual budget. Against year to date, overall expenditure is less than budget by \$0.964m with other expenses, contracts, and employee costs all below expected expenditure for the 6 months to end of December 2023.

Below is a summary of the operating statement compared to budget. Please see the financial statements on the following pages for further information on Council's financial performance for the quarter.

3.3 OPERATIONAL REVENUE

Key Budget Variances

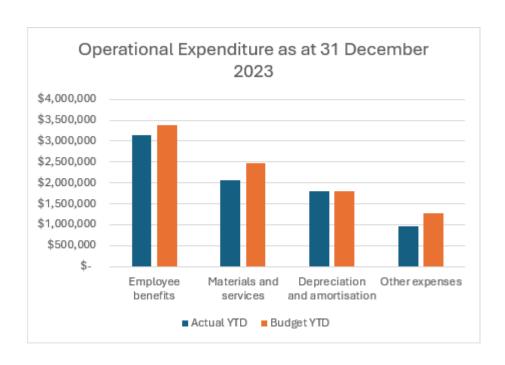

Grants and Contributions – the 2023/2024 Financial Assistance Grant was prepaid in June 2023, this prepayment has been recorded as recurrent income for this report. A favourable variance above budget of \$200,349.00 has been received for this grant.

Statutory Fees and Charges – lower than budgeted income in regulatory services for the period.

Other Income – favourable variance interest revenue due to higher than budgeted interest income year to date, other income has recorded lower than projected income for the quarter due to timing of receipts and lower than budgeted statutory in.

Rates Income – lower than budgeted income from rates and penalties due to timing of penalty and interest.

3.4 OPERATIONAL EXPENDITURE

Key Budget Variance

Employee Costs-Favourable budget variance is due to timing of staff appointments.

Materials and Contracts – Favourable variance due mainly to timing of operational invoices and works completion.

Other Expenses – Favourable variance due mainly to timing of operational invoices and timing of works.

3.5 OPERATING STATEMENT

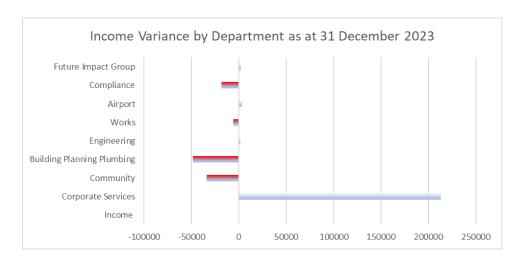

The Operating Statement includes all sources of Council revenue and expenditure incurred in its day-to-day operations. Only recurrent income has been included, with insurance payments and all capital grants being excluded. Expenditure listed in the Operating Statement does not include the cost of asset purchases or sales, loan repayments, capital works expenditure or reserve funds but does include depreciation as an expense.

3.9 CAPITAL WORKS PROGRESS REPORT

Capital works are the financial investments that Council makes in the assets and infrastructure that it controls and provides for use by the community. Capital works primarily include public buildings, transport infrastructure, public space, recreational facilities, and environmental infrastructure. Annually in conjunction with the adoption of the budget, Council adopts its Capital Works Program that sets out the projects that will be delivered in the next year.

This section provides an update on our progress towards achieving each project. Noting that some projects, most notably the Aquatic, Health and Wellbeing Centre (\$17.5m budget), are multi-year projects and will carry forward.

4.5 FIRE ABATEMENTS

Our Community Compliance Officers commenced fire hazard reduction season. This is a very demanding time for Compliance, with members of the public continually contacting Council, requesting that action is taken. Our Compliance Officer endeavours to ensure that the majority of properties are compliant, prior to the Christmas break. However, this is unrealistic and abatement notices and follow ups will continue through to the New Year. Eleven (11) abatement notices have been issued year to date.

4.9 FUTURE IMPACT GROUP AND OUR FUTURES

Launchpad - After some trial and error we are thrilled that Launchpad has found its place as a unique service facilitating connections between George Town community members, community organisations and businesses to increase employment outcomes, re-engage individuals in education and training, assist businesses to meet their workforce needs (skills shortages) and improve the health and well-being of the community.

During this period, we held the second and third Launch into Employment program. The delivery of the Certificate III in Individual Support (aged and disability) also continues with 10 participants soon to commence work placements (4 have gained employment already!). Over the past 3 months we supported 61 community members resulting in various outcomes including employment, further education, volunteering, and increased community engagement. Employment:

- 50% of the first Launch into Employment program have gained employment.
- 30% of Certificate III in Individual Support learners are employment (program still going with more employment expected, especially when the learners undertake work placements)
- 25% of participants are now volunteering with Launchpad, City Mission, and Community Garden

Education:

- 30 x completed Launch into Employment Program
- 10 x currently studying Cert III in Individual Support (Aging and Disability)
- 10 x completed First Aid Training
- 30 x completed Digital Workshops with the Digital Warrior Tutor
- 10 x completed a Food Safety Course with Scala/Searson Buck

Digital Warriors – Our Digital Tutor, David continues to provide one-on-one digital support for community members at the library and Launchpad. Interestingly, most people accessing the support are over the age of 55 years. David also delivered two (2) digital workshops. The Build a Robot Workshop taught the participants how to use the 3D printer, electronics, and computer programming to build their own autonomous robot. The Create your own flashing Christmas

Decoration Workshop included learning about physical computing, using sensors and microcontrollers to create flashing lights! David has also been a regular guest at the Launch into Employment program, delivering sessions on various topics including, how to use Google Docs on your phone, managing your passwords and being sensible on-line.

Make George Town Yours (MGTY) – the MGTY group is thrilled to finally see the output of many months of volunteering time and effort with the final installation of the Entry (Art) Statement and Planter Boxes during November and December. We also awarded 7 businesses with Business Enhancement Grants. The businesses in Macquarie Street will receive up to \$2000 each to improve the front appearance of their business. Improvements include painting, signage, outdoor furniture, window awnings and more. These projects are all part of a strategy to improve the look and feel of the Macquarie Street Precinct and increase community pride!.

Our Futures -Quarterly Report

The **Our Futures Youth Project** continues to grow as a legitimate platform for local young people to develop their leadership skills, and to provide opportunities for social impact in the George Town municipality.

The **Seagulls to Chips** Youth Leadership Program completed its inaugural year with 15 young people graduating from the program. Their learnings included content creation, public speaking, event management and social advocacy with opportunities created by the youth. The youth were successful in creating podcasts around the Youth Voice Collection, creation of a 50 Gems of George Town video, free activities for Children's Week and event planning for Youth Week 2024. The Seagulls to Chips program also created a student leadership short course where 35 students from all 3 schools in George Town participated in student leader specific learnings.

The **Youth Impact Council** have been successful in raising youth issues and opportunities in George Town including meetings with local, state and federal politicians. The team travelled to Hobart to attend the statewide Youth Advisory Summit, delivered a Mock Council meeting at the Council Chambers, volunteered at the Tamar NRM Catch it in the Catchment clean up, and volunteered at the George Town Christmas Carnival providing creative activities. The Youth Impact Council were also successful in grants from Bell Bay Aluminium (t-shirts, hats, and promotional material), Youth Week Tasmania (Skate Competition) and the Premier's Youth Fund (Street Art project) to build on their success into 2024.

The **Youth Voice Collection** surveyed 283 young people in and around George Town, asking them questions about safety, inclusion, employment and opportunities for them. Participants from Seagulls to Chips helped conduct consultation which also included a range of "Would You Rather?" questions based at schools and Regent Square. Community Stakeholders were also engaged in the opportunity to share their thoughts on youth issues, effectiveness of the Our Futures project and opportunities for future engagement. The Youth Voice Collection was presented at a Showcase event with over 40 attendees from the community. Priorities were presented around developing a youth team, creating a youth strategy, creating a youth friendly space whilst focussing on opportunities around youth mental health, leadership, creative arts and indoor sports opportunities.

4.10 COMMUNITY CONSULTATION

Creative George Town

Creative George Town, in its ongoing commitment to fostering creativity and engagement within the community, successfully executed a School Holiday Program throughout October. This initiative aimed to provide an enriching and enjoyable experience for children and their families through a series of free workshops in painting, pottery, and carpentry.

The program witnessed a remarkable turnout, with enthusiastic participation from both children and their parents. Key attendance statistics include:

Total Participants: Over 180 children

Accompanying Parents: Numerous parents engaged actively in the workshops alongside their children, creating a positive and inclusive atmosphere.

George Town Arts and Artisan

Retail Space Highlights

The project's centerpiece, the retail space, has evolved into a vibrant showcase of diverse creative disciplines. Operational seven days a week, the retail space opens its doors from 10 am to 4 pm, providing a consistent platform for artists and artisans to exhibit their work.

Monthly visitation to the retail space has seen a steady rise, with an impressive 2500 visitors recorded from October to December. This increase in foot traffic reflects the growing appreciation for the unique and diverse array of artistic expressions showcased within the Guild.

The George Town Council Artisans Guild has successfully attracted a robust community of creatives, boasting 56 active members and 4 volunteers. This growing membership and volunteer base highlight the project's positive impact on the local creative community.

Reconciliation Action Plan

The George Town Council Reconciliation Action Plan (RAP) Working Group continues to meet monthly, diligently working through established goals and objectives. The commitment to fostering reconciliation and understanding within the George Town community remains a key focus.

Aboriginal Community Engagement Officer and Cultural Initiatives

Susan Long-Mansell continues to serve as the Council's dedicated Aboriginal Community Engagement Officer. In her role, Susan actively contributes to the advancement of the Reconciliation Action Plan and events such as NAIDOC week. She also consults on cultural awareness workshops and the ongoing development of the kanamaluka Storytelling Experience.

During November, Council held Cultural Awareness training workshops for the community and Council employees. These workshops demonstrate, Council's dedication to fostering an inclusive and culturally sensitive environment.

Jim Mooney Gallery

The Jim Mooney Gallery remains a vibrant hub for artistic expression, hosting a series of exhibitions in November and December 2023.

NOVEMBER: "ORANGE IS THE NEW" PRESENTED BY LIGHTHOUSE REGIONAL ARTS

This exhibition, curated by Lighthouse Regional Arts, explored the theme "Orange is the New," showcasing a spectrum of artworks that conveyed various interpretations of the colour orange.

DECEMBER: GEORGE TOWN COUNCIL CHRISTMAS DISPLAY

The gallery transformed into a festive space, hosting the George Town Council Christmas Display. The event was open to everyone, inviting visitors to enjoy the holiday spirit and capture memories with a provided selfie frame.

George Town Seniors Concert – October

In celebration of National Seniors Week 2023, we once again held a Seniors Concert at the George Town Memorial Hall. Our 160 guests enjoyed two hours of entertainment and relished in an afternoon tea provided by T'N'T Fresh it Up Cafe.

The fantastic performers were:

- <u>South George Town Primary</u> entertained the audience with music from the Esk Band (featuring a French horn!), and the Grade 1/2 Choir sang two songs.
- Students from <u>Bee Bop Dance Studio</u> performed eight dance acts.
- Tamar Clogging created audible rhythms with their footwear against the wooden stage.
- Waldo, the Bush Poet, shared some of his poems with seniors in mind.
- Launceston RSL Pipes & Drums is always a crowd-pleaser, with the sounds of the bagpipes filling the hall and
- Dave Bailey had the crowd singing and clapping to three musical hits.

World Café – November

George Town Council hosted a World Café consultation session in November 2023.

The aim of the consultation was to collect ideas, opinions and values around the following topics:

- George Town Council Event Strategy
- George Town Community Health and Wellbeing Strategy
- George Town Council Community Strategic Plan Review
- George Town Aquatic health and wellbeing centre
- Township Character Plans
- Youth Voice Collection

The facilitators had a productive day collecting the voices, opinions and ideas from our participants using different and interactive ways of addressing and collecting the information. This information will be used to form and support strategic recommendation across a broad range of Council strategies and planning.

Norfolk Sloop Anniversary – November

On the 3rd of November, we celebrated 25 years since the replica Norfolk Sloop entered the kanamaluka/Tamar Estuary and 225 years since George Bass and Matthew Flinders sailed the sloop Norfolk into the kanamaluka/Tamar Estuary, from Sydney to solve a riddle.

The celebration saw the gathering of past crew and original developers of the replica Norfolk Sloop. Joining this celebration were the Bass & Flinders Maritime Museum volunteers, George Town Council Councillors, employees and some local politicians. It was a wonderful celebration as many fascinating stories were heard, and guests were treated to a collection of slides/videos from the replica sailing.

George Town Christmas Carnival - December

On Friday the 8th of December, we held our second Christmas Carnival, it was a wonderful celebration with family activities, music, food vans and market stalls. Thankfully, the rain held off for the Christmas Parade, but unfortunately, we all got a little wet during the Christmas Carols, but it didn't dampen our Christmas Spirit!

This year's Christmas Parade winners were:

- Best Themed Float Southern Cross Care / Ainslie Low Head
- Best Walking Entry Star of the Sea Catholic College
- Most Entertaining George Town Hospital & Community Centre
- Encouragement Award George Town Child & Family Learning Centre
- Best Band City of Launceston RSL Pipes & Drums
- Green Award The George Town Neighbourhood House

Projects

George Town Health and Wellbeing Strategy

The George Town Health and Wellbeing Strategy project commenced in October 2023, facilitated by Enable Health Consultants with input gathered through various engagement channels. The consultants have conducted an online survey, been present at a world cafe event, and held two workshops for community organisations through the October – December quarter, to collect valuable insights on local health and wellbeing issues.

The project is a collaborative approach, involving community members and organisations to ensure a holistic understanding of the diverse health needs within our community.

George Town Cricket Club Cricket Infrastructure

George Town Council in partnership with Cricket Tasmania's infrastructure fund program has upgraded the George Town Council Cricket infrastructure. The grant was utilised to upgrade the 3 synthetic turf practice pitches and the 1 centre wicket pitch. The upgrade of the George Town Cricket Ground has had a significant positive impact, after its competition in October 2023. The George Town Cricket Club has two male teams and one women's team registered in the Tasmanian Cricket League competition. The upgrade has increased participation in the municipality. This demonstrates the positive impact of investing in local sports infrastructure on community well-being and participation.

Other Grants received:

 Conditional funding to Hillwood Oval Redevelopment proposal for an Australian Football League (AFL) grant under the Australian Football Facilities Fund (AFFF) for up to \$27,000 (excl GST) for an anticipated total project cost of \$271,722. Funding has been conditionally approved on the basis that the project receives full financial backing on or before 01 December 2024.

A grant request of \$69,722 for the Hillwood Oval refurbishment project has been submitted to the Tasmanian State Government in October 2023. The outcome is to be finalised first quarter of 2024.

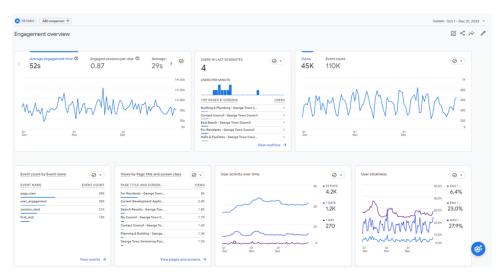

2. Received \$10,000 through the National Australia Day Council, for the 2024 Australia Day Pool Party.
