- D. 2021/2022 Capital Works and carry Forward Budget Report

MESSAGE FROM THE GENERAL MANAGER

The second quarter of the 2021/2022 year sees Council in a strong financial position once again. Income received to date represents over 90% of forecast annual revenue. Expenditure is on track at 49% of annual budget and comprises a favourable mid-year result of \$360k. However, it is anticipated that employee costs in the second half of the year will account for a significant portion of surplus to date.

Councils' Capital Works Program continues to progress well despite the wet winter. Projects including the pump track, Mountain Bike Trail Network, East Beach All Abilities Recreation Reserve, Regent Square Redevelopment, Dalrymple Bridge Replacements to name but a few, are all well underway. Over 40% of the \$11M program has been expended or committed. This is a pleasing result given almost 50% of the program is funded through grants including unexpected grants that our team has been able to secure. It is appropriate that we recognise the Federal Government in providing funding to Council through their Community Roads & Infrastructure Program.

Building activity remains strong with a 64% (or \$1.6M) increase in Certificate of Likely Compliance being issued compared to the same time last year. Likewise Planning activity remains strong with permits issued for future building works equating \$5.1M for the reporting period.

The borders opening to interstate travellers did not deter from some great events occurring in December including the popular Christmas Parade and New Year's Extravaganza in which Council sponsored to the tune of \$10k.

2022 has a lot in store for our community. Renovation works on the Anzac Drive building will commence, the annual road sealing program will be completed in January, further mountain bike trails will be opened, shared path connecting the pump track through to the trail head will be completed. Shared paths connecting Anne Street to Low Head Road will be constructed as will a shared path connecting Egg Island Reserve with the Hillwood Recreation Reserve. Works at the Low Head Lagoon Beach Car Park will be finalised and a number of Placemaking Committee initiatives will be installed including painted poles of local character in a number of locations.

Council will continue to partner with the Future Impact Group in designing and delivering a number of programs that will be introduced early in 2022. Projects including activation of the retail precinct, designing alternate employment pathways and youth development programs. I take this opportunity to thank the Tasmania Community Fund for providing \$500k over five years to fund the Our Futures Youth Initiative which is a collaboration between the Future Impact Group and Council.

I'll conclude by recognising our staff who continue to deliver high levels of customer service and demonstrate agility and leadership particularly during trying times where work loads are ever increasing.

I trust you'll enjoy the ensuing report on our mid-year performance.

14. Capital Works Progress Report

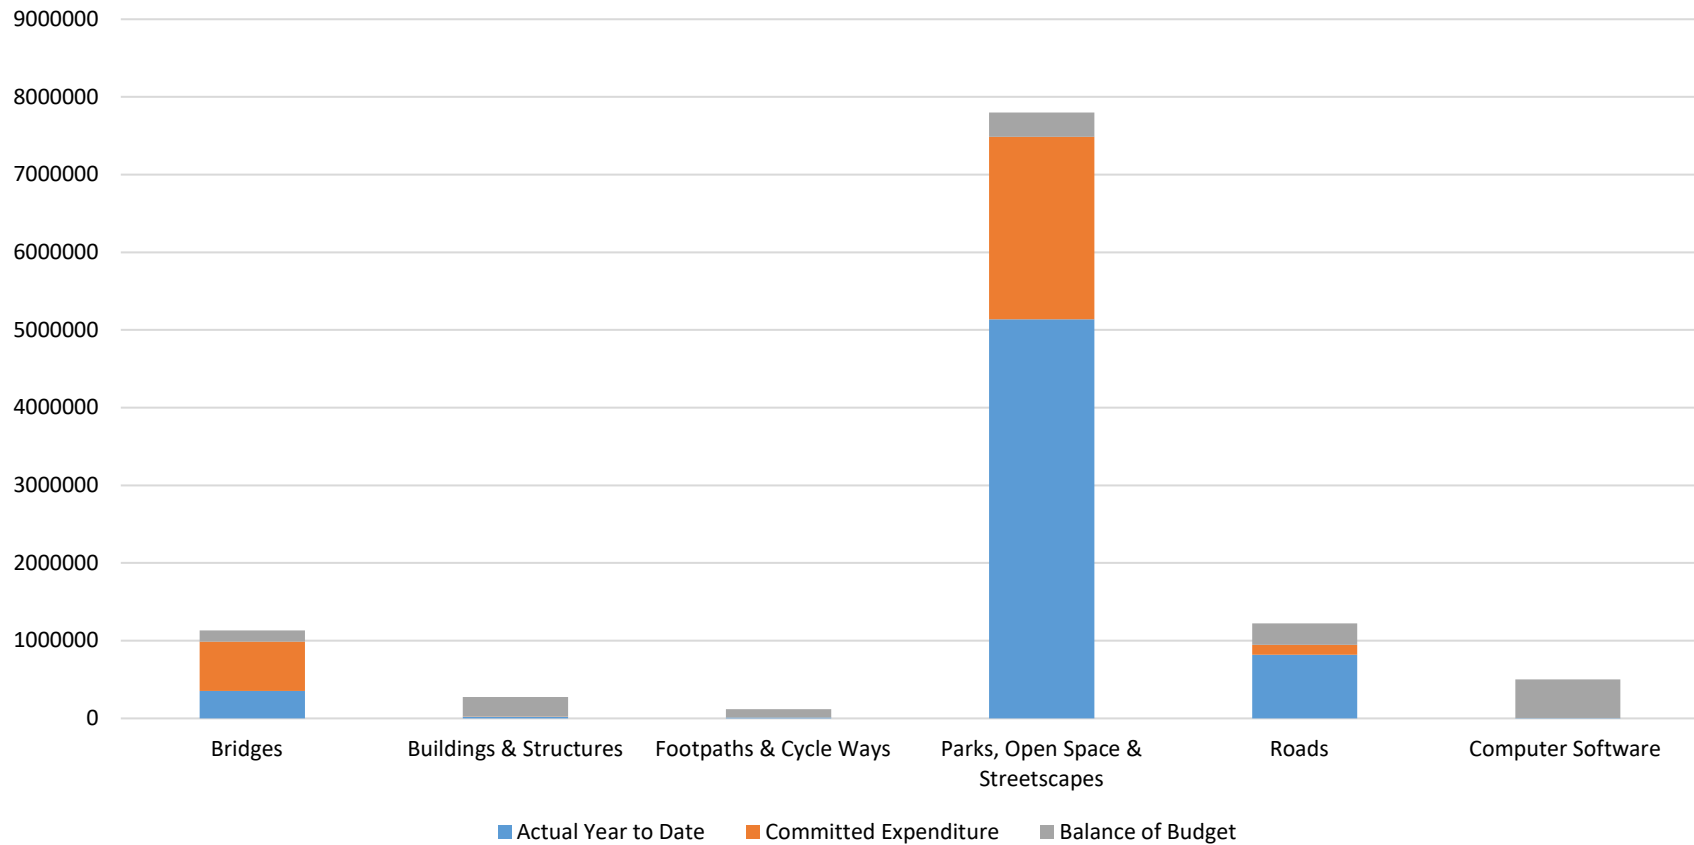

Capital works are the financial investments that Council makes in the assets and infrastructure that it controls and provides for use by the community. Capital works primarily include public buildings, transport infrastructure, public space, recreational facilities and environmental infrastructure. Annually in conjunction with the adoption of the budget, Council adopts its Capital Works Program that sets out the projects that will be delivered in the next year. This section provides an update on our progress towards achieving each project.

The 2021/2022 capital works budget consists of 47% grant funded projects, with 39% of the budget being projects from unplanned grant funding.

As at 31/12/2021, capital works are 40% completed or committed. The attached capital works report provides project status and anticipated timeframes for each project.

Carry Forward Capital Works Actual & Committed Expenditure as at 31 December 2021

Carry forward projects from 2020/2021 are largely in line for completion. A tender process for the Computer software upgrade will be undertaken in early 2022.

24. Liveable and Connected Communities

Events

Council conducted a number of events over the quarter celebrating and supporting state and national government initiatives like Seniors Week and International Volunteer Day.

Seniors Week was supported by Council with two items on the entertainment calendar.

On Thursday the 14th of October 2022 George Town Seniors Variety Concert was held at the Memorial Hall for 120 ticketed guests. This was a free event coordinated and delivered by Council staff for Seniors Citizens in the municipality to celebrate Seniors Week. This year there were ten performers delivering a wide variety of entertainment including ukulele, jazz dancing, theatrical renditions, cloggers, sing-a-longs, bag pipes, drummers, harpist, sixties jazz band and an Elvis impersonator.

On Friday the 15th of October, Nitty Gritty True Stories told by Real Humans hosted by Rachel Berger, was performed at Memorial Hall. Nationally renowned comedian, Rachel Berger coached six local Senior Citizens throughout the morning and afternoon, assisting them in the art of storytelling. They then presented their wonderful tales to a live audience of over 50 people in the evening. A very inspiring and illuminating event learning about the diversity and life stories of our community. This event was supported by George Town Placemaking Committee and coordinated by Council staff.

3rd December 2021 George Town Council Municipal Volunteer of the Year Award 2021

The George Town Council Municipal Volunteer of the Year Award was a new award developed by Council to coincide with International Volunteer Day as a way to recognise the efforts of volunteers in the municipality.

On Friday the 3rd of December, Deputy Mayor Tim Harris surprised the dual winners Ivy Crowden and Rita Miller with their awards, at the Memorial Hall where they were congratulated and celebrated by 50 guests. Both Rita and Ivy have contributed over 20 years each to volunteering in the George Town community. We thanked them both for their selfless contribution and service to the community. After the presentation attendees enjoyed afternoon tea and some social time.

10th December 2021 Christmas Parade and Christmas Carols was held on the

The Christmas parade was well patronised again this year, with 17 floats including Santa. It was supported by numerous emergency service vehicles and participants from the Tas Fire Service, Tas Ambulance and Tas Police. We estimate that there was over 1000 spectators viewing the parade on Macquarie Street. Council Officers dressed as Santa's helpers and gave out bagged lollies to the children watching the parade.

In addition to the parade, the Council's events team created a photo opportunity with Santa for families in the Jim Mooney gallery.

Carols were then held in the Memorial Hall as a free ticketed event. The program commenced with the Scottsdale Choir performing carols, both traditional and children's favourites. A song book was created for the audience so that they could sing along. After a short interval, local performers took to the stage, including Graeme Bradbury accompanied by Peter Parkes and Star of the Sea Catholic College. A great night was had by all.

Council Sponsored events

1. New Years Eve Extravaganza – Neighbourhood House held on the 31st December 2021.
2. George Town Business Excellence Awards – George Town Chamber of Commerce held on the 21st October 2021.
3. Weymouth Progress Association 75th Anniversary Celebration held on 30th October 2021.

25. Art & Culture

We welcomed a permanent part time Arts & Cultural officer in November to the Liveable and Connected Communities team. The objective of this position is to support the municipal arts, culture and experience initiatives through engagement, liaison, planning and project management activities.

26. Bass and Flinders Maritime Museum

The Bass and Flinders Maritime Museum continued to open 7 days a week. General and interstate visitation continues to be low due to both border closures and the apprehension due to Covid 19. It is anticipated that visitation should increase with the border reopening on 15th December 2021. General attendance continues to be supported by school tours from schools in the north of the state. The Tourism and Heritage Operations Co-ordinator commenced employment on the 13th of

October 2021 to facilitate the operation of the Bass & Flinders Maritime Museum, Visitor Centre and the Watch House. A new brochure has been printed and circulated to neighbouring visitor information centres and maritime museums.

27. Healthy George Town

George Town Council continues to deliver free health and wellbeing programs for the community. Since its inception in October 2020, the participation numbers continue to rise including the number of programs and service providers engaged to deliver the variety of programs.

On the 3rd of December the Tasmanian Community Achievement Awards announced that Healthy George Town was the winner of the “Get Moving Tasmania Physical Activity Award for 2021”

The Healthy George Town programs are now coordinated and facilitated by Council’s Sport and Recreation, Health and Wellbeing Officer.

This quarter we concluded the Winter Spring Program which proved to be successful. We commenced the preparation and development of a new summer program. Exploring outdoor venues, activities and facilitators that can be conducted safely with Covid 19 safety measures in place offering peace of mind to participants. We want to ensure that our programs continue to have a positive impact, allowing for diversity of abilities, and offers something for all residents residing in the municipality.

28. Visitor Information Centre and the Watch House

The Visitor Information Centre and the Watch House continue to service the tourism sector opening 7 days a week for a minimum of four hours per day supported by volunteers. Visitor numbers continued to be low over the quarter, however it is expected to rise with the opening of the borders, the likely increased visitation to the George Town Mountain Bike Trails and the forthcoming event schedule for the summer period.

29. Community Consultation

An invitation to present submissions to the 2022-23 budget process was opened and circulated to the community via email, social media channels and the Council website on the 13th of December 2021. The process will close on Monday, 31st of January 2022 at 5.00pm, with the draft budget to be presented for consideration in June 2022.

No formal consultations were held during this period.

30. Community Sponsorship Applications

One application was received from iD Rodeo Promotions for the Council’s Minor Sponsorship Program, for a rodeo event to be held in George Town in March 2022. The proposal was to the value of \$6,000.

The Sponsorship Grant approved by Council.

31. Digital Activity

As part of Council's efforts to increase visibility and accountability we are happy to report the following:

WORKFORCE

The following is a summary of reportable workforce data including Workplace Health and Safety, Employment Status/Distribution and Performance Reporting for the second quarter.

32. Workplace Health and Safety

The following is a summary of Workplace Health and Safety Incidents during the reporting period. There were no near misses reported during the quarter.

Workplace Health and Safety Summary	
Incidents reported	13
No Investigations required	0
Investigation required	0
Investigations completed	0
Corrective Action Plans Completed	13
Corrective Actions completed within 30 days	13

Number of Statutory reportable Incidents	0
---	---

There has been a significant increase in reported incidents (including identifications of hazards) in the 2nd quarter which is pleasing as it shows an increase in Council's incident reporting culture.

Note: Three (3) incidents involved verbal customer abuse of Council staff.

33. Establishment and Turnover

There were 70 employees at the close of the quarter including full time, part time, grant funded and casuals.

The workforce establishment of George Town Council at the end of the reporting period was approximately 54 Full time Equivalent (FTE) positions. There were sixteen (16) new staff engaged by Council during the second quarter – two (2) full time, three (3) part time and eleven (11) casuals. There were 4 voluntary resignations – 2 fulltime, one (1) part time and 1 casual employee. Council had 8 permanent and grant position vacancies at the end of the quarter.

The Staff turnover rate for year to date is 5.7 % against a national average of 18% and 22.2% for an organisation with less than 100 employees¹. The method of calculation used is each person counts as one, regardless of full-time, part-time, or casual status.

The Distribution of the workforce is as follows:

¹ Turnover and Retention Research 2018, Australian Human Resources Institute.

34. Performance Review Compliance

A new performance and planning system was adopted in the second quarter of the 2020/21 financial year and commenced operation in the third quarter.

The new Procedure for the performance appraisals sees the appraisal cycle transitioning from being completed at the Employees work anniversary date to a process that reflects the financial year.

Due to the new procedure being transitioned in and the role of the Manager – People, Performance and Governance vacant no figures are able to be provided around the compliance with the new policy at this time. The Manager – People, Performance and Governance has continued to review and audit compliance with the new Appraisal Procedure in the second quarter.
