

Speckled Milo Balls

Ingredients:

1 pkt Marie biscuits
1 tin sweetened condensed milk
1 cup desiccated coconut
1/2 cup Milo
1/4 cup 100 and 1000s sprinkles
1/3 cup desiccated coconut or cocoa (to coat)

Method:

Crush the biscuits by placing the packet into a ziplock bag and crushing with a rolling pin until the biscuits resemble crumbs (food processor can be used too but not as fun!). Place the crushed biscuits, condensed milk, coconut, Milo powder and sprinkles into a large bowl and stir with a spoon until all combined (we like to use our hands to combine).

Use a teaspoon to measure out the balls, or grab whatever you think is a teaspoon and roll them between the palms of your hands to create smooth balls.

Coat each ball in the extra coconut or cocoa and transfer to a plate/container.

Store in the fridge or freezer if they last that long!
