**Addendum No. 2 – Issued 5<sup>th</sup> June 2024**

This addendum is to provide clarification on what fees should be included in the submission.

Stage 1 submission fee proposal should include a % fee for architectural services. This % should allow for co-ordination with but does not need to include the fees of subconsultants that will be engaged by the architect at a later stage of the design process.

Submissions should provide a list of key subconsultants the architect anticipates engaging (if successful) in Schedule 9 of Section C – Return Schedules.
