Child and Family Centre meet monthly.
Please call for details

Services delivered

The George Town Child and Family Centre offers a range of programs and services to support families with children in the 0-5 age bracket. The CFC is for families in our community and offers opportunities for families with like aged children to connect and establish strong social and community ties, can help with referral pathways to specialist services, provides access to visiting specialist services such as St Giles and speech therapy, and learning opportunities for parents and carers (parenting courses, cooking classes etc). Children are given opportunities to learn through play and to be supported by a team of support services through those vital first five years, giving them the best possible chance to have the very best start.

Opportunities for volunteers

Yes, assisting with programs for 0-5 aged children and their parents/carers.
