Councillors Allowances Policy

Following Council's decision on Wednesday 15th July, there will be some administrative changes to Councillor travelling reimbursements (currently a fuel allowance). Some guidelines will be formulated and distributed next week.

Effective from now Councillors should record their travelling details for the performance of their duties by recording:

- (i) the date;
- (ii) reasons for travel; and
- (iii) kilometres travelled.

Guidelines and claim forms for the filling out of these details will be distributed with the guidelines.
