Dear Resident/s,

RE: ONE-WAY TRAFFIC FLOW, WEYMOUTH

At Council's October 2017 ordinary meeting a report initiated from the George Town Community Safety Group Committee meeting on the installation of a one-way loop in Weymouth was presented to the elected members of Council. The elected members of Council passed a resolution as follows:

It is recommended that Council seek the views of residents of both Campbell and Ralph Streets with regard to the installation of a one-way loop and comments related to the perceived hazards by vehicle with boat trailers travelling south on Campbell Street.

Council's Traffic Management Engineer preliminary assessment of this proposal suggests that a standard one way system applicable to all motorists would be most inconvenient to the residents fronting the two streets to either enter or leave their properties, particularly for those residents located close to Smith Street.

A one way system limited to "users of the boat ramp" would be difficult to police other than at the western junction of the two streets, with the requirement for such a control likely to be seen as questionable by motorists in general.

Support of such a proposal is seen as requiring information in support of the change in regard to perceived disadvantages with the present advisory directional sign and indicative safety hazards if some motorists from the boat ramp exit via Campbell Street.

Prior to seeking a Tasmania Police view on the proposal it would seem appropriate to seek the views of residents of both Campbell and Ralph Streets with regard to the installation of a one way loop and perceived hazards by vehicle with boat trailers travelling south on Campbell Street.

Would you like a one-way loop system in Weymouth? (Please see attached map.)

YES NO

Comments:

It is important to Council that we receive your thoughts by **Tuesday 14th November, 2017** on installing a one-way loop in Weymouth either by email council@georgetown.tas.gov.au or by mail addressed to:

Attention: General Manager
George Town Council
PO Box 161
George Town TAS 7253.

Thank you for your time and your thoughts on this matter.

Yours sincerely,

Justine Brooks-Bedelph
GENERAL MANAGER
