

AGENDA ITEM 7.1 (D) ATTACHMENT

21 April 2021

Planning Department

George Town Council

16-18 Anne Street, George Town, TAS 7253

(hand delivered to Council)

Attention: Tracey Baillie

Dear Ms Baillie

DA 2020/31 – Storage Shed, North Street George Town

Submission in relation to representation

We wish to make the following submission in relation to the representation regarding the above application received by email 20 April 2021.

Our proposed construction hours are:

- Monday to Friday 7-00am to 5-30pm
- Saturdays 7-00am to 5-30pm with no noisy equipment before 8-00am
- Sundays 8-00am to 4-30pm with no noisy equipment before 10am

We believe that this will address most of the concerns of the author of the representation and exceeds the requirements of the Environmental Management and Pollution Control (Noise) Regulations 2016.

We will need to undertake work on Saturdays and Sundays as we will be relying on assistance from family and friends to erect the building and to enable completion of the works in a timely manner.
