**3. PUBLIC QUESTION TIME**

**3.1 PUBLIC QUESTION TIME PROCEDURE**

*[Refer to Minute No. 243/16. The period set aside for public question time will be at least 15 minutes. Questions given on notice will be addressed first. Once questions on notice have been addressed, persons who have registered their interest to ask a question will be called to do so in the order in which they have registered. Persons attending Council meetings will have the opportunity to register their interest to ask a question without notice prior to the commencement of the meeting. Council staff will be on hand to assist with this process.*

*Participants cannot ask more than 2 questions in a row with a maximum of 2 minutes per question. If a person has more than (2) questions, they will be placed at the 'end of the queue' and may, if time permits, ask their further questions once all other persons have had an opportunity to ask questions. Persons who have not registered their interest to ask a question will be given an opportunity to do so following all those who have registered. All questions must be directed to the Chairperson.*

*For further information on Council's Public Question Time Rules and Procedure, please refer to George Town Council Public Question Time Policy No. 18.]*

*Questions asked and answers provided may be summarised in the minutes of the meeting.*

**4. DECLARATIONS OF INTEREST**

**5. GENERAL MANAGER'S DECLARATION**

I certify that with respect to all advice, information or recommendations provided to Council with this Agenda:

- the advice, information or recommendation is given by a person who has the qualifications or experience necessary to give such advice, information or recommendation; and
- where any advice is given directly to Council by a person who does not have the required qualifications of experience, that person has obtained and taken into account in that person's general advice, the advice from an appropriately qualified or experienced person.

**Justine Brooks-Bedelph**  
**GENERAL MANAGER**

**LOCAL GOVERNMENT ACT 1993 – SECTION 65**

**65. Qualified persons**

- (1) A general manager must ensure that any advice, information or recommendation given to the council or a council committee is given by a person who has the qualifications or experience necessary to give such advice, information or recommendation.
- (2) A council or council committee is not to decide on any matter which requires the advice of a qualified person without considering such advice unless the general manager certifies in writing that such advice was obtained and taken into account in providing general advice to the council or council committee.
- (3) The Minister by order may determine the qualifications and experience required by a person to be a qualified person.
- (4) If the Minister does not make an order under subsection (3), the general manager may determine the qualifications and experience required by a person to be a qualified person.

**REPORT DATE:** 5<sup>th</sup> October 2017

**FILE NO:** 66.25, 66.202, 66.96

**ATTACHMENT:** Nil.

---

**SUMMARY**

A recent request by the Weymouth Community Representative Group to adopt a one-way traffic flow system at Campbell Street and Ralph Street, Weymouth has been reviewed by a Traffic Engineer.

This report provides the outcome of the review and a recommendation for Council consideration and discussion.

**BACKGROUND**

At the Ordinary Council meeting dated 20<sup>th</sup> September 2017, Cr Barwick requested that a report be included in the October Ordinary Council meeting regarding a recommendation from the George Town Community Safety Committee meeting to Council that a permanent mandatory one way traffic movement system be implemented at Campbell Street and Ralph Street Weymouth rather than the advisory system currently in place.

In August 2017, the Acting Infrastructure Manager, engaged Terry Eaton (Traffic Management Engineer), to review the proposal and who has advised the following:

*“Preliminary assessment of this proposal suggests that a standard one way system applicable to all motorists would be most inconvenient to the residents fronting the two streets to either enter or leave their properties, particularly for those residents located close to Smith Street.*

*A one way system limited to “users of the boat ramp” would be difficult to police other than at the western junction of the two streets, with the requirement for such a control likely to be seen as questionable by motorists in general.*

*Support of such a proposal is seen as requiring information in support of the change in regard to perceived disadvantages with the present advisory directional sign and indicative safety hazards if some motorists from the boat ramp exit via Campbell St.*

**8.1 GEORGE TOWN COMMUNITY SAFETY COMMITTEE – ONE-WAY TRAFFIC FLOW, WEYMOUTH (CONT.)**

*Prior to seeking a Tasmania Police view on the proposal it would seem appropriate to seek the views of residents of both Campbell and Ralph Street with regard to the installation of a one way loop and perceived hazards by vehicle with boat trailers travelling south on Campbell St.”*

**STRATEGIC PLAN**

**Goal 4**

Strengthen the vibrancy of our towns and enhance the benefits of living in a rural setting and living close to the river and coast.

**Key objective 1**

To identify and respond to changing needs for infrastructure and facilities.

**Key priority 1**

Review and manage the assets and infrastructure Council currently owns in line with community needs.

**RISK CONSIDERATIONS**

Not Applicable.

**FINANCIAL IMPLICATIONS**

Nil.

**OFFICER’S COMMENTS**

The views of residents of both Campbell and Ralph Streets with regard to the installation of a one-way loop and comments related to the perceived hazards by vehicle with boat trailers travelling south on Campbell Street need to be ascertained before a decision is made by Council to implement a change to traffic flow.

**OFFICER’S RECOMMENDATION**

It is recommended that Council seek the views of residents of both Campbell and Ralph Streets with regard to the installation of a one-way loop and comments related to the perceived hazards by vehicle with boat trailers travelling south on Campbell Street.

---

**SUMMARY**

To submit to Council information in respect to the future reporting of financial reports to Council and a proposed review of the structure and content of future ordinary meeting Council agendas and minutes.

**BACKGROUND**

In accordance with Regulations 8(1) and (2) of the Local Government (Meeting Procedures) Regulations 2015, the General Manager is to prepare an agenda for each Council meeting and Council committee meeting and the agenda of an ordinary Council meeting is to provide for, but is not limited to, the following items:

- Attendance and apologies
- Confirmation of minutes
- The date and purpose of any Council workshop
- Applications for leave of absence
- Declarations of any pecuniary interest of a councillor or close associate
- Public question time
- Any reports to be received
- Any matter to be discussed at the meeting

The General Manager at the time submitted information to Councillors at the Council workshops held in August 2015 and September 2015 in respect to the rationalisation of Council Agendas.

It was recognised that many of the reports submitted to Council at that time were operational in nature, did not require Council resolution or were matters that were not in the public's interest and took up an inordinate amount of time and cost to prepare.

Councillors were provided with workshop brief which outlined those reports that were considered to be of an information only nature and would in future not be included in the Agenda but would be made available to Councillors via the Councillors Intranet on a monthly basis. These included:

**9.1 AGENDA RATIONALISATION – FINANCIAL REPORTS (CONT.)**

- Information Update – Planning Department Matters;
- Permit Approvals;
- Waste Transfer Station Report;
- Works Depot Activity Report;
- Customer Requests;
- Delegations, staff levels, accident / incident reports, use of Council seal and Right to Information requests;
- Outstanding Rates; and
- Sundry Debtors.

These reports are uploaded onto the Councillors Intranet on or about the 20<sup>th</sup> of each month. Printed copies are made available to Councillors upon request.

More recently Council resolved that the Cash Position report also be reported to Councillors as part of the Corporate Services information report each month (res. 162/17 – June 2017).

**STRATEGIC PLAN**

**Goal 05**

Ensure Council listens to and understands community needs and continues to make responsible decisions on behalf of the community.

**Key Objective 4**

Consistently achieve a high standard of internal financial and governance arrangements.

**FINANCIAL IMPLICATIONS**

No financial implications are recognised.

**RISK CONSIDERATIONS**

No risks are identified.

**OFFICER'S COMMENTS**

Currently the following financial reports are submitted to Council on a monthly basis:

- Financial Report Operating Budget
- Active Capital Projects Report

Due to recent inconsistencies in the formatting and accuracy of the content contained therein these reports have not been included in this month's agenda.

It is intended that these reports will be reviewed in conjunction with the General Manager's proposed further rationalisation of Council's agenda and minutes, particularly in respect to limiting reports to those which require Council decision. A review will also be undertaken of existing financial reporting periods and the structure of Agendas and Minutes. The review will be discussed in detail at the November 2017 workshop with the revised Agenda reporting structure introduced at the November 2017 Council meeting.

**SUMMARY**

Tabling of the Certified Financial Statements in accordance with s.84 (4) of the Local Government Act 1993 and the Tasmanian Audit Office Report on the George Town Council Financial Report for the year ended 30<sup>th</sup> June 2017.

**STATUTORY REQUIREMENTS**

Local Government Act 1993 section 84 sub section 4.

**STRATEGIC PLAN**

**Goal 05**

Ensure Council listens to and understands community needs and continues to make responsible decisions on behalf of the community.

**Key Objective 4**

Consistently achieve a high standard of internal financial and governance arrangements.

**OFFICER'S COMMENT**

*"Auditor's Opinion*

*In my opinion Council's financial report:*

- (a) presents fairly, in all material respects, its financial position as at 30 June 2017 and financial performance, cash flows and changes in equity for the year then ended.*
- (b) is in accordance with the Local Government Act 1993 and Australian Accounting Standards".*

The certified financial statements are tabled as required by the Local Government Act 1993. There are a number of variances to budget and variances to the prior year which will be the subject of an analysis and explanation to Council at a future workshop. A copy of the Annual Financial Statement of Account also forms part of Council's Annual Report for 2016/17 for the Annual General Meeting.

**George Town Council  
COUNCIL MEETING – 18<sup>TH</sup> OCTOBER 2017  
AGENDA**

**9.2 CERTIFIED FINANCIAL STATEMENTS – 2016-2017 (CONT.)**

The result from continuing operations reported on the Statement of Profit and Loss and Other Comprehensive Income is a surplus of \$635,148 after capital income items have been taken into account. The total comprehensive result reported on the Statement of Profit and Loss and Other Comprehensive Income is a deficit of \$2,131,149 after taking into account the asset revaluation decrement of \$2,891,417 and the revaluation increment on Council's investment in the water corporation of \$125,120. The downwards revaluation of asset values, resulted from the measurement of the replacement cost of council's drainage assets when measured at the current cost of replacement.

When considering long term financial sustainability the movement of the capital values is excluded to determine an underlying surplus. The underlying surplus and other important indicators of long term financial sustainability are reported at Note 2.5a of the financial statements "Management Indicators". The underlying surplus/deficit reported for the 2016/2017 year is a deficit of \$1,112,862 or negative 10.5%. As has been reported within note 2.5a reasons for the underlying deficit include an increase in depreciation expense as a result of asset revaluations, and increasing operational costs with a stable revenue base.

A trend of underlying deficit is of significant concern with a further underlying deficit budgeted for the 2017/2018 (current) financial year. Council is currently undertaking organisational and budgetary reviews to address this trend, and return to a financially sustainable position.

**OFFICER'S RECOMMENDATION**

That the 2016/2017 certified financial statements as tabled be received and noted in accordance with the requirements of the Local Government Act 1993 s.84(4).

**1. George Town RSL Sub Branch**

A Community Grant application (Services) has been received from the George Town RSL Sub Branch for a grant to cover costs associated with Depot staff time required to assist with the setting up for the 2017 Remembrance Day Service road closures, and the Examiner advertising of the associated road closures.

**OFFICER'S COMMENT**

The completed Grant Application forms an attachment to this report.

On Saturday November 11<sup>th</sup> 2017, the George Town RSL Sub Branch will be holding a Remembrance Day Service. Approximately 100 people are expected to attend the service which will be held in the Max Harris Memorial Reserve. Anzac Parade, between Main Road and Friend Street will be closed to through traffic from 10.00am to 12.30pm.

A community grant (services) of \$920 is sought to cover costs associated with Council's Depot staff time for the delivery and return of chairs, supply & co-ordination of traffic management barriers, and advertising of road closure for the event.

**RISK ASSESSMENT**

Risk in relation to this item is considered minimal.

**2. George Town Skating**

A Community Grant application (Project) has been received from Fay Clark, co-ordinator for the George Town Skating Committee, for a grant to cover the purchase cost of helmets for use by participants.

**OFFICER'S COMMENT**

George Town skating provides an activity for the youth of George Town. Held on a Friday night at the community centre, the average number of participants each week is 30.

Skating is run totally by volunteers who give up their time to co-ordinate the weekly event, run a canteen and supervise during the evening.

**George Town Council**  
**COUNCIL MEETING – 18<sup>TH</sup> OCTOBER 2017**  
**AGENDA**

---

**10.1 COMMUNITY GRANTS / ASSISTANCE (CONT.)**

The committee has recently been informed that they are legally obligated to provide helmets for the participants, and that these must meet Australian Standards.

A total of 40 helmets is required to meet insurance and legal obligations, and whilst the cost of these is not high (\$7.00 each), it would put a huge impost on the organising committee financially.

The Skating committee is seeking a grant of \$280 for the purchase of 40 helmets.

**RISK ASSESSMENT**

Risk in relation to this item is considered minimal.

**3. George Town Little Athletics Club**

Council has received a Community Grant (Council Services) application from the George Town Little Athletics Club for fees associated with the hire of Council facilities.

**OFFICER'S COMMENT**

The completed Grant Application (Council Services) forms an attachment to this report.

George Town Little Athletics Club are holding a Garage Sale and Car wash on Sunday 22<sup>nd</sup> October 2017. This date coincides with the National Garage Sale Trail weekend. The garage sale will be held within the Graham Fairless Centres, with a car wash being held at the rear of the Memorial Hall complex.

All proceeds from the garage sale and car wash will be retained by the George Town Little Athletics Club to assist with the purchase of equipment for the Club.

A community grant (Council Services) is sought for the amount of \$155. \$135 being the cost of hire for the Graham Fairless Centre, and \$20 being a water usage charge.

**RISK ASSESSMENT**

Risk in relation to this item is considered minimal.

**OFFICER'S RECOMMENDATION**

That Council:

1. Provides a Community Grant (Services) of \$920 to the George Town RSL Sub Branch for costs associated with road closure and hire of chairs for the 2017 Remembrance Day Memorial Service being held on the 11<sup>th</sup> November 2017.
2. Provides a Community Grant (Project) of \$280 to the George Town Skating Committee for the purchase of 40 helmets for use by participants at indoor skating.
3. Provides a Community Grant (Services) of \$155 to the George Town Little Athletics Club to cover the cost of hire of the Graham Fairless Centre and water usage for their garage sale & car wash fundraising event, to be held on Sunday 22<sup>nd</sup> October 2017.

**REPORT DATE:** 4<sup>th</sup> October 2017

**FILE NO:** 23.2

**ATTACHMENT:** (A) Community Grants/Assistance Policy No 10  
(B) Draft Community Assistance Policy 2017

---

**SUMMARY**

The current Community Grants/Assistance Policy was last reviewed in 2014. A review of the policy was commenced in 2016 and a draft policy has been considered at five workshops. This report is provided to Council to assist with the completion of the review process and adoption of a revised policy.

**BACKGROUND**

Whilst legislation doesn't require Council to have a grants policy, best practice financial administration requires a grants policy framework that promotes transparent, accountable and cost-effective grants administration that delivers equitable distribution of public monies in line with objectives of the organisation.

A foundation document in the development of a sound framework is a policy which addresses these strategic objectives and administrative principles.

Council's existing Grants Policy was last reviewed in 2014.

The Grants Policy was scheduled to be reviewed in 2015. A draft revised policy was presented to Council at workshops during 2016, and in August and October 2017

The current draft is in response to Councillor input at those workshops.

**STRATEGIC PLAN**

**Goal 02**

Support an active, vibrant and culturally diverse community life that enjoys liveable and amenity rich neighbourhoods

**LEGISLATION**

There is no legislative requirement to meet in relation to the Grants Policy, however the Local Government Act 1993 s77 empowers Council to make grants, and grants must be reported in the Annual Report.

**FINANCIAL IMPLICATIONS**

The policy provides for Council to make an annual allocation for a community grants program.

**10.2 REVIEW OF COUNCIL POLICY NO 10 – COMMUNITY GRANTS/ASSISTANCE POLICY (CONT.)**

**RISK ASSESSMENT**

No significant risk has been identified in relation to the policy and its implementation.

One purpose of the policy is to minimise risk to Council in exercising its function as provider of funds to support community activities and initiatives. Inasmuch as the policy addresses strategic objectives and formalises process, the policy achieves this.

**OFFICER'S COMMENTS**

The framework within which the Grants Policy is being reviewed was presented to Council at an initial workshop discussion, and has been provided again during further workshop discussion.

Recommendations made by Councillors at workshops have been incorporated into the revised draft policy.

Because of the change in policy template, it is difficult to provide a 'marked up' copy of the current policy showing the changes so a standalone draft version and the current policy are provided.

The key changes in substance to the existing policy are:

- Links to the Strategic Plan have been updated in line with Council's new Strategic Plan
- The policy statement explicitly states the overarching objective of the policy and the broad assistance parameters which will guide Council in its decision making
- The General Manager is able to use delegated authority to approve applications for straight forward assistance for individuals and fee remission assistance, at present up to \$500.
- Applications for fee remission for Council venue hire and/or Council services over \$500 will need to be made as a Community Assistance Grant and submitted via that process.
- Community Assistance Grants will be offered in two competitive rounds each year. The first round will be open to receive applications from the first Monday in August until 4.30pm on the last Friday in August. The second round of Community Assistance grants will be open from the first Monday in February until 4.30pm on the last Friday in February.
- The grant round application dates will be advertised in the community.
- Community Assistance Grants will be assessed by a Community Assistance Grants Review Panel comprised of two (2) councillors, appointed by Council for a term of one year, along with a proxy, the General Manager and the Manager Community Development or equivalent.

**George Town Council  
COUNCIL MEETING – 18<sup>TH</sup> OCTOBER 2017  
AGENDA**

---

**10.2 REVIEW OF COUNCIL POLICY NO 10 – COMMUNITY GRANTS/ASSISTANCE POLICY (CONT.)**

- The Review Panel will assess the applications against an Assessment Criteria Matrix provided in Community Assistance Program Information and Guidelines and make a recommendation to Council. Council will consider the recommendations and make a determination at the next ordinary meeting of Council.
- The maximum amount for which a single application can be made to the Community Grants/Community Assistance fund is \$2000.
- Clearer language has been used.
- A reference to guidelines, which include the Assessment Criteria and matrix for assessment, has been included. These will provide clear, detailed information about process, what will be considered during the assessment process and eligibility. The guidelines can be updated as required, to ensure the processes meet community and Council need.
- Application forms no longer form part of the policy (as a schedule) and can be updated and revised as an administrative process.
- A report will be submitted to Council regularly to report on grants approved by the General Manager.

**OFFICER’S RECOMMENDATION**

That Council adopt the revised Community Assistance Policy, to be effective from 1<sup>st</sup> January 2018.

<b>REPORT AUTHOR:</b>	General Manager Executive Officer – Governance
<b>REPORT DATE:</b>	11 <sup>th</sup> October 2017
<b>FILE NO:</b>	29.6
<b>ATTACHMENT:</b>	George Town Council - Existing Application of the Principle of Competitive Neutrality - Strategy No. 4

---

**SUMMARY**

To present and recommend to Council that the existing Competitive Neutrality Complaints Strategy No. 4 (the Strategy) be rescinded.

**BACKGROUND**

In addition to the current review of Council policies, Council's existing strategies are also being reviewed to determine their validity and purpose and relationship with existing Council policy and direction, if applicable.

A number of Council's existing strategies are considered to be guidelines and procedures rather than strategic documents. As such, these Strategies will be presented to Council for review and consideration over the coming months.

This matter was submitted to a Council workshop on the 4<sup>th</sup> October 2017 for discussion and referred to the Audit Panel meeting on the 11<sup>th</sup> October 2017 whereby the Panel supported the rescinding of the Application of the Principle of Competitive Neutrality – Strategy No. 4 to Council.

**STRATEGIC PLAN**

**Goal 05**

Ensure Council listens to and understands community needs and continues to make responsible decisions on behalf of the community.

**Key Objective 1**

Consistently achieve a high standard of internal financial and governance arrangements.

**12.3 RECOMMENDATION TO RESCIND – GEORGE TOWN COUNCIL -  
APPLICATION OF THE PRINCIPLE OF COMPETITIVE NEUTRALITY –  
STRATEGY NO. 4 (CONT.)**

**FINANCIAL IMPLICATIONS**

No financial implications are recognised in reviewing the need to retain this Strategy.

**RISK CONSIDERATIONS**

The existing Strategy is outdated and refers to Government Prices Oversight Commission which was vested with the Tasmanian Economic Regulator under the Economic Regulator Act 2009 on the 1<sup>st</sup> June 2010 and therefore does not accurately reflect current day information.

Council is directed by the Act in respect to the application of the principle of Competitive Neutrality and its reporting obligations and therefore any risk associated with the rescinding of the Strategy is considered minimal.

**OFFICER'S COMMENTS**

In November 2010 the then Chairman of the Tasmanian Economic Regulator wrote to all Tasmanian Councils to advise Councils of the Tasmanian Economic Regulator's role in the review of competitive neutrality complaints.

At that time the Regulator had received a number of inquiries from caravan park operators around Tasmania concerned with their local council's provision of cheap or free services for recreational vehicles (overnight parking) and campers (camp sites). These complaints were used as a reminder to all local government agencies that they are responsible for adherence to the Competition Principles Agreement and the Competitive Neutrality Principles.

As a result the existing Strategy was developed and adopted by Council in May 2011, the purpose of which was to provide information and guidance to Council and staff in determining whether a service or business activity was a significant business activity for the purposes of competitive neutrality. It also outlines Council's reporting obligations in this regard.

A Strategy is considered to be a plan or method for achieving a goal; Council's goal would be to comply with the requirements of the National Competition Policy Agreements.

The Strategy does not provide sufficient scope in respect to Council's commitment to meeting its obligations under the principles of competitive neutrality and it is also outdated in that it refers to the Government Prices Oversight Commission (GPOC). The GPOC was vested with the Tasmanian Economic Regulator under the Economic Regulator Act 2009 on the 1<sup>st</sup> June 2010.

In determining whether a service or business activity is a significant business activity, Council would be directed by the Agreements and the Tasmanian Economic Regulator Act in respect to the application of the principle of Competitive Neutrality and it is therefore considered that the Strategy is unnecessary.

Due to the preceding it is recommended to Council that the Application of the Principle of Competitive Neutrality Strategy No. 4 be rescinded.

**SUMMARY**

To present and recommend to Council that the existing Competitive Neutrality Complaints Strategy No. 5 (the Strategy) be rescinded and replaced with the proposed Competitive Neutrality Complaints – Procedures as attached to this report.

**BACKGROUND**

In addition to the current review of Council policies, Council's existing strategies are also being reviewed to determine their validity and purpose and relationship with existing Council policy and direction, if applicable.

A number of Council's existing strategies are considered to be guidelines and procedures rather than strategic documents. As such, these Strategies will be presented to Council for review and consideration over the coming months.

This matter was submitted to the Elected Members workshop on the 4<sup>th</sup> October 2017 and referred to the Audit Panel meeting on the 11<sup>th</sup> October 2017 whereby the Panel supported the rescinding of the Competitive Neutrality Complaints Strategy No. 5 to Council to be replaced by the proposed Competitive Neutrality Complaints Procedures.

**STRATEGIC PLAN**

**Goal 05**

Ensure Council listens to and understands community needs and continues to make responsible decisions on behalf of the community.

**Key Objective 1**

Consistently achieve a high standard of internal financial and governance arrangements.

**12.4 RECOMMENDATION TO RESCIND – GEORGE TOWN COUNCIL –  
COMPETITIVE NEUTRALITY COMPLAINTS STRATEGY – NO. 5 (CONT.)**

**FINANCIAL IMPLICATIONS**

No financial implications are recognised in reviewing the need to retain this Strategy.

**RISK CONSIDERATIONS**

The existing strategy is outdated and refers to Government Prices Oversight Commission which was vested with the Tasmanian Economic Regulator under the Economic Regulator Act 2009 on the 1<sup>st</sup> June 2010 and therefore does not accurately reflect current day information.

The proposed Procedures clearly outline the steps to be undertaken where a member of the public suspects that Council has not met its requirements relating to the principles of competitive neutrality. By rescinding the existing strategy and adopting the proposed Procedures, Council is minimising any risk in respect to making current and correct information available to the public in respect to its obligations in this regard.

**OFFICER'S COMMENTS**

In November 2010 the then Chairman of the Tasmanian Economic Regulator wrote to all Tasmanian Councils to advise Councils of the Tasmanian Economic Regulator's role in the review of competitive neutrality complaints.

At that time the Regulator had received a number of inquiries from caravan park operators around Tasmania concerned with their local council's provision of cheap or free services for recreational vehicles (overnight parking) and campers (camp sites). These complaints were used as a reminder to all local government agencies that they are responsible for adherence to the Competition Principles Agreement and the Competitive Neutrality Principles.

As a result Council's existing Application of the Principle of Competitive Neutrality Strategy and the Competitive Neutrality Complaints Strategy were developed and adopted by Council in May 2011.

The Competitive Neutrality Complaints Strategy (refer attachment (A)) does not provide sufficient scope in respect to Council's commitment to meeting its obligations under the Competitive Neutrality Principles and it is outdated in that it refers to the Government Prices Oversight Commission (GPOC) throughout the document. The GPOC was vested with the Tasmanian Economic Regulator under the Economic Regulator Act 2009 on the 1<sup>st</sup> June 2010.

Whilst it is not legislated that Council must have such a policy or strategy in place to deal with Competitive Neutrality Complaints, the Department of Treasury and Finance recommends that *Councils and other Local Government bodies are required to establish their own internal procedures for dealing with competitive neutrality complaints as the complainant must first discuss the issues in question with the Local Government body before a formal complaint may be lodged with the Regulator* [National Competition Policy: Applying the Principles to Local Government in Tasmania, December 2013].

**12.4 RECOMMENDATION TO RESCIND – GEORGE TOWN COUNCIL – COMPETITIVE NEUTRALITY COMPLAINTS STRATEGY – NO. 5 (CONT.)**

As opposed to the existing Strategy to deal with Competitive Neutrality Complaints a set of procedures has been developed (refer attachment (B)). These procedures provide information as to how Council will deal with complaints that Council has not met its requirements relating to the principles of competitive neutrality, a copy of which will be made publicly available via Council's website.

*“Potential complainants are required under section 48 of the Economic Regulator Act 2009 to discuss concerns relating to the application of the competitive neutrality principles with the government body providing the business activity in question. Some complaints may be resolved informally by the complainant obtaining further information about the costing structure and regulatory environment of the government body business activity.*

*However, where the complainant considers that the complaint remains unresolved the complainant may wish to take the matter further by lodging a formal complaint with the Regulator concerning the manner in which a business activity is undertaken by a government body.” [Office of the Tasmanian Economic Regulator – Competitive Neutrality Complaints Mechanism Guideline – Version 2, July 2015]*

Due to the preceding it is recommended to Council that its existing Competitive Neutrality Complaints Strategy No. 5 be rescinded and replaced with the proposed Competitive Neutrality Complaints – Procedures.

**OFFICER’S RECOMMENDATION**

That the existing Competitive Neutrality Complaints Strategy – No. 5 be rescinded and replaced with the Competitive Neutrality Complaints - Procedures effective immediately.

---

**SUMMARY**

To submit the proposed revised Draft Establishment of Special Committees Policy No. 7 Version 02 (the proposed Policy) to Council for review and adoption.

**BACKGROUND**

It is intended that all Council's existing policies will be reviewed in relation to their purpose; objective and alignment not only with current legislation but also their alignment with Council's newly adopted Strategic Plan and in accordance with the requirements of Council's Policy Development, Approval and Review Policy No. 09.

The review is also in accordance with Council's recently adopted 2016-2017 Annual Plan.

This Policy was adopted by Council in 2006. A revised Policy was submitted to the Council meeting held on the 16<sup>th</sup> April 2014 whereby it was resolved that the policy lay on the table for discussion at the next workshop. The Policy was referred to the next workshop, however was not progressed.

The proposed Policy was discussed at the June 2017 Council workshop.

**STRATEGIC PLAN**

**Goal 05**

**12.5 REVIEW OF SPECIAL COMMITTEES POLICY NO. 7 (CONT.)**

**TYPE OF POLICY & APPROVAL AUTHORITY**

In the review of this Policy, it is recognised as a “Council Governance” Policy in that it requires endorsement by Council and provides specific direction in relation to governance practices in accordance with the requirements of Section 24 of the Local Government Act 1993.

**FINANCIAL IMPLICATIONS**

No financial implications are recognised in reviewing this Policy.

**RISK CONSIDERATIONS**

No risks are identified in reviewing this Policy.

**OFFICER’S COMMENTS**

It is considered that the proposed Policy provides a more consistent and structured approach for Council when considering and identifying the need for and the establishment of a Section 24 Special Committee or to review an existing Special Committee.

The Terms of Reference Template has also been updated to include meetings and meeting procedures, reporting requirements and the review of any of Special Committee established by Council in accordance with the requirements of the proposed Policy.

The proposed Policy also reflects Council’s current Strategic Plan, the Local Government (Meeting Procedures) Regulations 2015 and the George Town Council Policy Development, Approval and Review Policy No. 9.

As a “Council Governance” Policy its aim is to provide guidance to Council in the need for and establishment of a Section 24 Special Committee in accordance with the requirements of the Local Government Act 1993.

It should be noted that the proposed Policy, as does the existing “Special Committees Policy” requires that:

*“A review of existing Special Committees of Council will be conducted upon adoption of the Policy, and thereafter all reviews will be conducted in or as near as possible to December of each year.”*

Council currently has two Special Committee, being the George Town Community Safety Group Committee and the George Town Sports Complex Advisory Committee.

Accordingly, upon the formal adoption of the “Establishment of Special Committees Policy No. 7 – Version 02” a review of all Council Special Committees should be undertaken.

It is suggested that any public input in regard to the proposed Policy would have little influence on its intent and it is therefore considered unnecessary to advertise the proposed Policy for public comment

---

**SUMMARY**

This report provides information to enable Council to respond to the George Town Sports Complex Advisory Committee (the Committee) resolution requesting Council's approval to place the Committee into recess until December 2017.

**BACKGROUND**

The George Town Sports Complex Advisory Committee is a section 24 Special Committee of Council formed in accordance with the requirements of the Local Government Act.

**24. Special Committees**

- (1) *A council may establish, on such terms and for such purposes as it thinks fit, special committees.*
- (2) *A special committee consists of such persons appointed by the council as the council thinks appropriate.*
- (3) *The council is to determine the procedures relating to meetings of a special committee.*

According to the Committee's Terms of Reference, the role of the Advisory Committee is to:

*Provide direction and advice on opportunities for the George Town Community to progress ideas for the management, future development and activity at the George Town Sports Complex.*

**STRATEGIC PLAN**

**Goal 02**

Support an active, vibrant and culturally diverse community life that enjoys liveable and amenity rich neighbourhoods.

**Key Objective 1**

Support and advocate for organisations and community groups to grow community capacity.

**OFFICER'S COMMENTS**

At the Committee meeting on the 4<sup>th</sup> September 2017 discussion was held in respect to the future of the Committee. In recent months attendance at the meetings has been down quite considerably and it was felt that the Committee was not achieving the purpose for which it was established. It was also suggested that the meetings tended to focus on maintenance issues rather bigger picture plans for the complex and for the benefit of users.

Rather than continuing on as a section 24 Special Committee, there was support for the group to be broadened to include all sports and recreational groups within the municipality. By broadening membership, the group could be known as the "Recreational User Group." The group then becomes community driven, encourages networking amongst the users and would be more reflective of the community's needs.

At the meeting of the Committee held on the 2<sup>nd</sup> October 2017 it was resolved (res 9/17):

*"That the Sports Complex Advisory Committee be placed into recess until the end of the year pending consideration of the formation of a recreational user group rather than a Section 24 Special Committee of Council and that a report be submitted to Council advising of the Committee's intention."*

Current Committee members proposed that an invitation be sent out to all sports and recreational groups within the municipality inviting a representative from each group to attend a meeting in December this year to discuss the potential for the formation of a group to be known as the "Recreational User Group".

It was agreed that as the proposed group would not be a Special Committee of Council, any Council support would be limited in respect to the group's functions. It would seem appropriate however that Council continues to offer the group meeting space.

As outlined above, this Committee is currently a Section 24 Special Committee of Council with two Elected Members appointed as Council representatives; Cr Dawson as Chair and Cr Parkes as Proxy.

**George Town Council  
COUNCIL MEETING – 18<sup>TH</sup> OCTOBER 2017  
AGENDA**

---

**12.6 GEORGE TOWN SPORTS COMPLEX ADVISORY COMMITTEE – PROPOSED RECESS OF COMMITTEE (CONT.)**

Should the Committee eventually be dissolved rather than re-adjourned with the possible formation of a user group, it would seem appropriate that nominated Elected Members could still be involved in any meetings of the group thereby providing a conduit between the group and Council albeit in a less formal capacity.

Council's Special Committee Policy No. 7 is currently under review and is reported separately in this Agenda. The Policy requires that upon review/adoption that all Section 24 Special Committees of Council are reviewed.

Due to the preceding it is recommended that Council supports the Committee's recommendation that the George Town Sports Complex Advisory Committee be placed into recess pending the outcome of further discussions with sports and recreational groups to determine whether a Committee or user group would best represent their requirements.

**OFFICER'S RECOMMENDATION**

That Council agrees to place the George Town Sports Complex Committee into recess until December 2017 and considers further the future of the Committee at that time.

**Cr Barwick**

*Cr Barwick requested a copy of the airport insurance policy and information on E6 General Manager's expenditure.*

Response

Documents were provided to Cr Barwick.

*Cr Barwick requested information on E9 Regional Development expenditure.*

Response

Expenditure for the Regional Development is largely normal salary allocations with the exception of the \$25,000 for the Bell Bay Manufacturing Precinct project.

*Cr Barwick questioned if Council grant proposal included the acquiring of land for the proposed construction of the 2-lane bridge at Weymouth. The Chairperson took Cr Barwick's question on notice.*

Response

There is no requirement for land acquisition under the funding application and the new structure will fit into the existing road reserve. The requirement will be for Council to gain land owner permission for the construction of temporary road during the erection of the bridge.

*Cr Barwick requested that Corporate Services information report be provided to Councillors for their information.*

Response

Information reports are provided to Elected Members via the Councillor Intranet on a monthly basis on or about the 20<sup>th</sup> of each month. A printed copy is also provided upon request to Elected Members.

*Cr Barwick requested that a report be included in the October Ordinary Council Meeting regarding a recommendation from the George Town Community Safety Committee meeting to Council that a permanent mandatory one way traffic movement system be implemented at Campbell Street and Ralph Street Weymouth rather than the advisory system currently in place.*

Response

The reporting and allocation of employee oncosts are currently being reviewed. Further details will be presented to Elected Members at the November workshop.

*Cr Glisson requested an explanation on why employee termination costs was allocated to Halls & Community Centres Expenditure.*

Response

Allocation of termination costs – the EBA allows for a percentage of unused sick leave to be paid out for employees with 5 or more years' service on termination. Historically this payment has been costed to the employees standard salary costings therefore an amount has in this case, been applied to halls and Community. This is to be looked at to ensure the most appropriate costing allocation is used going forward.

*Cr Glisson 019/15 requested an updated on the Council Facilities Future Use and Development – Strategic Development and requested that it be workshopped for discussion.*

Response

In 2016, two reports were prepared for Council by consultants; the Sports Complex Redevelopment Master Plan Review and a Condition Assessment of Council's other community recreation facilities. Together these reports provided sufficient information to prepare a preliminary report for Council to begin to address redevelopment of the Sports Complex, future demand and sustainable asset management of community recreation facilities.

This project will be reviewed and progressed once the organisational, operational budget and Annual Plan reviews have been approved by Council.

*Cr Glisson's question was taken on notice in regards to correspondence sent to the Tasmanian Innovations Health Grant supporting the drug education network to establish tobacco free community project in George Town. Cr Glisson requested details on the project.*

Response

An outline of the project has been forwarded to Cr Glisson.
