5.3 PUBLIC QUESTION TIME

Commenced at: 1.04 pm

Concluded at: 1.08 pm.

Mrs D. Rainbow, George Town

Preamble

Mrs Rainbow stated that after reading the response in today's agenda from her question from the last Council meeting, she wished to relate her conversation with the Coordinator Development which took place on the 11 November 2025. Mrs Rainbow was asked to submit a submission which she had done. She was asked what was my major concern with the application as the first page was left blank? The Coordinator left to check and responded with "it was redacted" and further advised that it had been passed by Council. Mrs Rainbow held up a handwritten document stating this was her proof of the telephone dialogue. Mrs Rainbow had spoken with Administrative Officer - Building and Planning on the 18th August 2025 who had advised to submit her submission to council's email.

Mrs Rainbow advised that a leasing agent in Victoria has advertised that they have a leasee for a building that has not been discussed by Council. Mrs Rainbow expressed her concern on the Child Centre issues in Victoria as seen on the ABC.

The Chair requested Mrs Rainbow for her question.

Q1. Why was the name on the application redacted re development 114-118 Macquarie Street? In The Examiner dated 2nd August it clearly states Parkmas Pty Ltd, is this the business involved?

Through the Chair to the General Manager noted that the Senior Planner is in attendance.

The General Manager advised that the question was taken on notice.

Q2. *When can I expect an answer from her question from the last month.*

Through the Chair the General Manager noted that her response had not been published in today's agenda but a written response will be provided to Mrs Rainbow as soon as Council possibly can. Council's planning resources were stringent last week and appreciated Mrs Rainbow's patience.

5.4 RESPONSE TO QUESTIONS FROM PREVIOUS PUBLIC QUESTION TIME

(Refer to Minute No. 425/00, which states in part, "that a copy of all written replies to questions from the Public Gallery be included in the following Council Agenda.")

Mrs D. Rainbow, George Town

Preamble

I recently found a notice on an vacant land across from her residents for a proposed development on the site. This surprised her as neighbours are usually notified of such developments and seeing that it would need a change of a planning scheme. Mrs Rainbow informed the meeting that she had spent considerable time on a submission sent into Council by the due date. Mrs Rainbow wishes to read out her key areas of her submission.

The Chair asked for her question.

Mrs Rainbow continued and said that the planning application does not have the name of the applicant as this is a private dwelling at 112 Macquarie Street.

- Page 20 describes 111 Franklin Street has a setback of 3 metres, on page 24 the photo it is a metre away.
- It describes the buildings at the back as outbuildings, they are private residential.
- Page 10 describes that there is good vehicle access connected to public transport. It does not. There has been numerous accidents over the years, that a roundabout was installed.
- Photos of the street view fails to show the blind approach from Macquarie Street. Also there are restricted views from that roundabout coming from the north. Mrs Rainbow read out the planning assessment states that this does not cause unreasonable loss of amenity being open 60 hours a week for the traffic generation. Page 43 reads that this will exceed the acceptable amount of traffic.
- Page 54 and Page 55 contradicts this argument as it states that traffic generation will be about 94 trips per peak hour. This means that 94 vehicles will have 38 seconds to come in, find a place to park and collect their child and leave.
- Page 56 even though this exceeds the acceptable increase it will not have any significant impact on the operation and safety of Macquarie Street and Franklin Street.
- The report fails to mention at peak times there is a significant increase of traffic and pedestrians moving across the streets between the various three schools. Subsequent to this report, there will be a tavern opening nearby.

Q1. If I could find these errors why did they not find them and bring to Council for correction and open discussion especially after two weeks after the close of submissions a gentlemen was doing soil tests re pollution to see if the land is viable to be built on. Now that was not available for this submission.

George Town Council
2025 11 25 Ordinary Council Meeting
Confirmed Minutes

Through the Chair to the General Manager, the General Manager advised that the question would be taken on notice.

Response

Discussions with Mrs Rainbow are ongoing.

Ms L. Distefano

Q1. In regards to the waste rewards and Councillors would have received an email regarding the concerns. Could the Recycle Rewards be relocated to a different location because where it is currently cited it is not strictly a commercial area. There are people living in close proximity to the area.

Q2. Why were the residents not informed beforehand or were the Council not informed if the government issued the Recycle Rewards?

The Chair thanked Liliana for her questions. Through the Chair to the General Manager.

The General Manager advised that the recycling vending machine and recycle rewards program is a state managed initiative. It was not a Council managed initiative. Subsequently learning about the noise and odour complaint, Council have reached out to the CEO of the City Mission who will have an agreement with Recycle Reward; the Chair of the Statewide Waste Resource Recovery Board and the logistic company. Council is awaiting on responses in regard to the noise, odour and possible relocation. Council's has not receive all responses at this stage.

In response to your second question, it is not a Council program and in this municipality City Mission is involved.

The Chair reiterated that Council is working through understanding what we do about it and Council will liaise with the residents.

Response

Conversations are ongoing with City Mission and Recycle Rewards.
