SUMMARY

To recommend to Council that a late item agenda report (item 13.2) to consider providing authorisation for the General Manager to defer meetings of Special Committees and the Audit Panel at the General Manager's discretion.

OFFICER'S COMMENTS

With the rapid changes and restrictions taking place as the Corona Virus pandemic crisis evolves, the General Manager has determined that a late report to Council be received on the grounds that the following matter:

a) was unable to be included in the published agenda due to time constraints and constant changes to responses and measures during an evolving crisis; and

(b) the general manager considers the matter to be urgent due to the rapid changes to responses and measures during an evolving crisis.

The Officer's recommendation is submitted in accordance with the requirements of the *Local Government (Meeting Procedures) Regulations 2015*, sub-regulation 8(6) and the Section 65 of the *Local Government Act 1993*.

OFFICER'S RECOMMENDATION

That Council resolves to receive the late item Agenda Report 13.2 from the General Manager to consider providing authorisation for the General Manager to defer meetings of Special Committees and the Audit Panel at the General Manager's discretion.
