4.3 PUBLIC QUESTION TIME

Commenced at: 1.10 pm

Concluded at: 1.14 pm

Mr J. Glisson

Q1. Mr Glisson question related to a question he made at the last Council meeting in relation to the response he received. Mr Glisson noted that the response from Council referred to the Council Meeting of 28 October 2021 and this response was included in the Unconfirmed Minutes which was incorrect.

The Chair agreed that it was a typographical error and the correct date was 28 September, 2021.

Mr Glisson stated that he was still waiting for a response from Council's to his questions, as he did not consider Council's response to address the questions asked.

The Chair referred the question to the General Manager.

Mr Glisson responded that through the Act, the question was to the Chair as the Chair is required to make decisions about matters and Mr Glisson is asking about the decisions.

The Chair referred the Question to the General Manager. The General Manager advised that this was the response from Council, and if Mr Glisson is not satisfied with the response there are mechanisms that he can refer his question to. The General Manager stated that it meets the requirements.

Mr Glisson further stated that his question was not to the General Manager, but to the Chair as the Act prescribes that in the opinion of the Chair that there is vital information that has been overlooked. As the Chair, what is the information that was overlooked?

The Chair advised he was happy with the answer that the General Manager had provided and the answer stands.

Q2. The attachment of Item 8.3 is the Terms of Reference of the Safety Group Committee, that these Terms of Reference are the ones rejected by the Council i.e. Police Check was removed. Mr Glisson asked why redundant Terms of Reference included in the presentation today.

Through the Chair, the General Manager apologised if the wrong version of the Terms of Reference for the Safety Committee was included in the agenda. The Terms of Reference are reference document for the body of the report. As you are aware, that Council is seeking approval of a process where is reviews the Special Committees. It is not the subject of today's meeting to have the Terms of Reference under question just the governance arrangements that will be reviewed as part of the Council's decision.

4.4 RESPONSE TO QUESTIONS FROM PREVIOUS PUBLIC QUESTION TIME

(Refer to Minute No. 425/00, which states in part, “that a copy of all written replies to questions from the Public Gallery be included in the following Council Agenda.”)

The Chair noted the typographical error in the below correspondence. 28th October should read 28th September, 2021.

Mr J. Glisson

Dear Mr Glisson

RE: PUBLIC QUESTION TIME – 28TH SEPTEMBER 2021

Thank you for your attendance at the 28th October, 2021 Ordinary meeting of Council where you provided the following preamble and question:

You quote in the minutes on Page 37, regulations S19.1 Discussion of a Resolved Matter, at (b) and (c).

*(b) requires that new information has come to hand,
(c) in the opinion of the Chair some vital information has been overlooked.*

As Council had closed the meeting to the public before going into Closed Session, and this matter was dealt with straight after the Closed Session, without the public being informed.

During the Council meeting I did try to alert Council to the fact that Council had voted to form a committee, but failed to nominate anyone on that Committee, and for this I was awarded with a formal warning by the Chair.

Q1. Can you please inform us what new information came to hand, and how it came to hand, and what information was overlooked?

The General Manager having considered S19 1 (b) and (c) of the Local Government (Meeting Procedures) Regulations 2015, recommended the Chair to consider a motion in relation to Agenda Item 9.1 that prescribed the full membership of the s23 Committee; and to empower the General Manager to develop procedures for the committee for the purpose of a hearing to be presided by the Mayor.

Again, thank you for attending Council's Ordinary meeting.

Yours sincerely,

Shane Power
General Manager
