**5.1 PUBLIC QUESTION TIME PROCEDURE**

*[Refer to Minute No. 243/16. The period set aside for public question time will be at least 15 minutes. Questions given on notice will be addressed first. Once questions on notice have been addressed, persons who have registered their interest to ask a question will be called to do so in the order in which they have registered. Persons attending Council meetings will have the opportunity to register their interest to ask a question without notice prior to the commencement of the meeting. Council staff will be on hand to assist with this process.*

*Participants cannot ask more than 2 questions in a row with a maximum of 2 minutes per question. If a person has more than (2) questions, they will be placed at the 'end of the queue' and may, if time permits, ask their further questions once all other persons have had an opportunity to ask questions. Persons who have not registered their interest to ask a question will be given an opportunity to do so following all those who have registered. All questions must be directed to the Chairperson.*

*For further information on Council's Public Question Time Rules and Procedure, please refer to George Town Council Public Question Time Policy GTC13.*

*Questions asked and answers provided may be summarised in the Minutes of the meeting.*

**6 ACTING GENERAL MANAGER'S DECLARATION**

I certify that with respect to all advice, information or recommendations provided to Council with this Agenda:

- the advice, information or recommendation is given by a person who has the qualifications or experience necessary to give such advice, information or recommendation; and
- where any advice is given directly to Council by a person who does not have the required qualifications of experience, that person has obtained and taken into account in that person's general advice, the advice from an appropriately qualified or experienced person.

Andrew McCarthy  
**ACTING GENERAL MANAGER**

**LOCAL GOVERNMENT ACT 1993 – SECTION 65**

**65. Qualified persons**

- (1) *A general manager must ensure that any advice, information or recommendation given to the council or a council committee is given by a person who has the qualifications or experience necessary to give such advice, information or recommendation.*
- (2) *A council or council committee is not to decide on any matter which requires the advice of a qualified person without considering such advice unless –*
  - (a) *the general manager certifies, in writing –*
    - (i) *that such advice was obtained; and*
    - (ii) *that the general manager took the advice into account in providing general advice to the council or council committee; and*
  - (b) *a copy of that advice or, if the advice was given orally, a written transcript or summary of that advice is provided to the council or council committee with the general manager's certificate.*

*The Acting General Manager advised that Agenda Item 3.1 2025/2026 Gravel Resheeting Tender Report in Closed Ordinary Council Meeting will be deferred pending further information and advice.*

**REPORT DATE:** 05/02/2026  
**FILE NO:** DA 2025/81

---

*The Senior Planner entered the meeting at 1.08 pm.*

**Minute No. 013/26**

**DECISION**

Moved: Cr Lowe  
Seconded: Cr Mason

That the application for use and development, Residential (Single Dwelling) and Visitor Accommodation at 132 Bellbuoy Beach Road, Low Head (CT 29544/4) be **APPROVED** subject to the following conditions:

**1. ENDORSED PLANS**

The use and/or development must be carried out as shown on the endorsed plans and described in the endorsed documents:

- a. Design Construction Management, Project No. 25020, Drawing A00-A08, dated 10/12/2025.

to the satisfaction of the Council. Any other proposed development and/or use will require a separate application to and assessment by the Council.

**2. STORMWATER MANAGEMENT PLAN**

Prior to the commencement of works a detailed stormwater management plan, prepared by a suitably qualified person is to be submitted to the satisfaction of Council's Director Infrastructure and Operations. The plan is to include the following:

- Detailed stormwater modelling and calculations for pre and post development stormwater runoff volume in 1% AEP rain event.
- The post-development peak discharge for the 1% Annual Exceedance Probability (AEP) rainfall event not to exceed the pre-development peak discharge from the site for the same event.

- Modelling and design of on-site stormwater detention (OSD) system for 1% Annual Exceedance Probability (AEP) rainfall event.
- The OSD system is designed in accordance with current Australian Rainfall and Runoff (ARR) guidelines and Council's standard drawings and specifications.
- All stormwater infrastructure, including detention systems, pipes, pits and outlets, is located clear of the drainage easement unless otherwise approved by Council.
- Runoff from the proposed development does not adversely impact the capacity or function of the existing drainage easement.
- No increase in flood levels, flow velocity, or adverse impacts to upstream or downstream properties will occur as a result of the development, including cumulative impacts from adjoining properties.

Once endorsed by Council, all works must be undertaken in accordance with the detailed stormwater management plan.

### **3. WATER TANKS**

The water storage tanks identified within 5m from the side boundary must achieve a maximum height of 1.8m above the existing ground level at the east side boundary.

### **4. DRIVEWAY CROSSOVER**

Prior to the commencement of the use, the proposed vehicular crossover must be constructed in accordance with LGAT Standard Drawing TSD R03 & R04, v3. All works must be carried out to the satisfaction of Council's Infrastructure Department.

Prior to undertaking any works within the Council road reserve, including the installation of the vehicle crossover, separate consent is required from Council as the relevant Road Authority. The developer must make application to Council for a Permit to Undertake Works in the Road Reserve using Council's designated form and obtain approval prior to the start of works. This work must be at expense of the person undertaking the development.

### **5. NO POLLUTED RUNOFF**

No polluted and/or sediment laden runoff must be discharge directly or indirectly into Council's drains, watercourses or the foreshore during and after development.

### **6. DAMAGE TO PUBLIC INFRASTRUCTURE**

Any damage to public infrastructure shall be repaired at the owners cost. If any repairs are necessary, they will be undertaken in accordance with the requirements and to the satisfaction of the Manager of Infrastructure and Works.

1. This permit was issued based on the proposal documents submitted for DA 2025/81. You should contact Council with any other use or development, as it may require the separate approval of Council. Councils planning staff can be contacted on 6382 8800.
2. This permit does not imply that any other approval required under any other by-law, covenant or legislation has been granted. The following additional approvals from Council may be required before construction commences:
  - a) Plumbing approval
  - b) Building approval
  - c) Approval to undertake works in the Council road reserve.
  - d) Approval to connect to the reticulated stormwater network.

All enquiries should be directed to Council's Permit Authority, via 6382 8800.

3. Registration as a Food Business under the Food Act 2003 may be required if it is intended for any food to be provided as part of the proposed business. Please contact Council's Environmental Health Officer on (6382 8800).
4. Registration as a Private Water Supplier under the Public Health Act 1997 and the Tasmanian Drinking Water Quality Guidelines is required if any non – reticulated water (i.e. tank water) is provided as part of the business operation. The registration is required prior to commencement of the business operation. The registration is an annual requirement. Please contact Council's Environmental Health Officer on (6382 8800).
5. This permit takes effect after:
  - i. the 14 day appeal period expires; or
  - ii. any appeal to the Tasmanian Civil and Administrative Tribunal is abandoned or determined; or
  - iii. any agreement that is required by this permit pursuant to Part V of the *Land Use Planning and Approvals Act 1993* is executed; orany other required approvals under this or any other Act are granted
6. A planning appeal may be instituted by lodging a notice of appeal with the Tasmanian Civil & Administrative Tribunal. A planning appeal may be instituted within 14 days of the date the Corporation serves notice of the decision on the applicant. For more information see the Tasmanian Civil & Administrative Tribunal website [www.tascat.tas.gov.au](http://www.tascat.tas.gov.au).
7. This permit is valid for two (2) years only from the date of approval and will thereafter lapse if the development is not substantially commenced. An extension may be granted at Council's discretion if a request is received within 6 months of the expiration.

8. In accordance with the legislation, all permits issued by the permit authority are public documents. Members of the public will be able to view this permit (which includes the endorsed documents) on request, at the Council Office.
9. It is the responsibility of the applicant to ensure that they are acting in accordance with any Section 71 (Part 5) Agreement or Covenant registered to the title. These matters are not taken into account as part of an assessment against the planning scheme. A permit issued under the *Land Use Planning and Approvals Act 1993* does not undermine or absolve any individual from any obligation imposed by such agreements. The obligations and risks associated with Section 71 (Part 5) Agreements and Covenants should be discussed with a solicitor.
10. If any Aboriginal relics are uncovered during works:
  - a) All works are to cease within a delineated area sufficient to protect the unearthed and other possible relics from destruction,
  - b) The presence of a relic is to be reported to Aboriginal Heritage Tasmania  
Phone: (03) 6233 6613 or 1300 135 513 (ask for Aboriginal Heritage Tasmania)  
Fax: (03) 6233 5555 Email: [aboriginal@heritage.tas.gov.au](mailto:aboriginal@heritage.tas.gov.au); and
  - c) The relevant approval processes will apply with state and federal government agencies.
11. If this development application has been subject to the advertisement process, the applicant is requested to remove any planning advertising signs from the property boundary, and to dispose of it in a thoughtful and sustainable manner.

## **Details of Motion**

**Motion Title**      **Second Generation Rodenticides**

### **Decision Sought**

That Tasmanian councils cease using second-generation rodenticides at council facilities if they are still being used.

That Tasmanian councils be encouraged to engage with their communities to encourage avoidance of second-generation rodenticides, identified by the word 'poison' on packaging as opposed to 'caution'

### **Background Comment**

The City of Hobart does not use second-generation rodenticides in its facility bait boxes and understands that other councils around the country also avoid its use.

There is currently a national campaign being undertaken to ban second-generation rodenticides as they are deadly to birds of prey and other wildlife that eat both live prey and carrion. Stricter use guidelines have been proposed, but councils could act immediately to cease their use and encourage awareness throughout the community.

The Australian Pesticides and Veterinary Medicines Authority (APVMA) has *“concluded that the way products containing second-generation anticoagulant rodenticides (SGARs\*\*) are currently used is creating current risks to \*non-target animals, including native wildlife.*

*This conclusion has led the APVMA to propose suspending SGAR products so that stricter controls around their use can be implemented quickly.*

*The controls on use that could be put into place during a suspension are designed to remove the most likely routes of native wildlife exposure, to manage the risks while the review is finalised.*

*The suspension of SGARs, if enacted, would occur as soon as possible after the end of a six-week consultation with the product registration holders and state and territory governments.*

*If the suspension goes ahead, SGAR products could still be used, but only in accordance with the enforceable new instructions, conditions and use patterns that will apply nationally.”*

Support for the City’s motion will ensure a consistent, statewide approach to rodent management to ensure best practice and alignment across jurisdictions.

## Details of Motion

**Motion Title**      **Changing Local Government's role in delivering immunisation programs**

### Decision Sought

That LGAT advocates for the following:

1. That the Tasmanian Government remove or modify section 57 of the *Public Health Act 1997* which requires Councils to develop and implement an approved program for immunisation in its municipal area.
2. That the Tasmanian Department of Health take primary responsibility for delivery of school-based immunisation programs in Tasmania.
3. That Section 57 (1) if not removed be replaced with:

*"A Council may develop and implement an approved program for immunisation in its municipal area by liaising with the Tasmanian Health Service who is required to carry out school-based immunisation programs statewide."*

### Background Comment

Under section 57 of the *Public Health Act 1997*, a council must develop and implement an approved program for immunisation in its municipal area.

#### **57. Council immunisation programs**

- (1) A council must develop and implement an approved program for immunisation in its municipal area.
- (2) The Director may require a council to provide any information the Director determines relating to its immunisation program.

For most councils this includes delivering the National Immunisation Program (NIP) to high school students. This is the School-Based Immunisation Program (SBIP). Some councils also deliver community immunisation clinics.

Delivering an immunisation program is a specialised activity, requires the employment or contracting of nurse immunisers or health professionals, and the management of specialised medical processes including administering vaccines, managing adverse reactions and the storage and transport of vaccinations.

Victoria and Tasmania are the only States where local Councils deliver school based immunisation programs. All other States coordinate this function through State government departments.

The Tasmanian Department of Health is considered to be best placed to manage the resourcing and risks associated with implementing an immunisation program across the state, including school-based immunisation programs.

This is especially the case as the State Government has implemented its school nurse program. Now that a school nurse program has been implemented it is Council's belief that running school immunisation programs should no longer be a requirement and that Council can and should be able to choose to opt in to providing these programs when and if it believes that it is appropriate to do so.

### 3. Organisation Details

\* indicates a required field

#### 3.1

**Briefly outline your organisation's background and current activities \***

George Town Cricket Club has been operating for over 50 years and has fielded teams consistently throughout this time. The club currently competes in the Tasmanian Cricket League and supports a strong and growing cricket program within the George Town community.

The club fields four senior teams, comprising three senior men's teams and one senior women's team. In addition, the club has re-established its junior program for the first time in almost 10 years, now fielding three junior teams. Two junior teams compete in the North East Cricket Association, while one team competes in the Northern Tasmanian Cricket Association.

Through its senior, women's and junior programs, the club is focused on increasing participation, developing skills, and strengthening community connections through sport.

Form Submitted 20 Feb 2026, 2:57PM AEDT

Women and girls benefit through our senior women's program, which supports increased female participation in sport and creates pathways for leadership, coaching and volunteering. We have had girls as young as 14 years old play for the senior Female Boom team previously.

Adult players and volunteers benefit through ongoing participation in community sport, social connection and opportunities to contribute to the club through coaching, team management and administration roles.

Families and the broader George Town community also benefit through increased community engagement, positive role modelling, and access to inclusive, locally based sporting opportunities that promote health, wellbeing and social connection.

## 4. Project Details

**\* indicates a required field**

### 4.1

**Project Title \***

Purchase of new uniforms for 2026 season

Provide a name for your project/program/initiative. Your title should be short but descriptive

**Anticipated start date \***

16/03/2026

**Anticipated end date \***

16/03/2027

If unknown, provide your best guess or leave blank If unknown, provide your best guess or leave blank

**Please provide a brief description of the Project. \***

The project involves the purchase of 24 (two teams worth) sets of uniform for the George Town Cricket Club junior programs for the 2026 season. The uniforms will be used by our junior teams and will provide players with appropriate, consistent and safe playing attire.

This project supports the continued growth of junior cricket in George Town by ensuring all participants have access to suitable uniforms, helping to create a positive and inclusive team environment while representing the club and municipality with pride.

Must be no more than 100 words.

Please include details of the event, including location

**How did you determine a need for this Project. \***

The need for this project has arisen from the successful re-establishment of the club's junior program after almost 10 years, with three junior teams now actively participating in competition. Due to this rapid growth, the club does not have sufficient, suitable uniforms to meet current participation needs.

Our Under 14 team is currently required to wear mismatched, outdated uniforms, many of which are too small or too short for players. The club has also struggled to source shirts large enough to properly fit some children, impacting comfort, confidence and the ability to participate safely and equally.

Similarly, our Under 12 team is currently wearing mismatched personal shorts and trackpants, and for their first match the coach was required to source temporary school shirts to ensure players could participate. These situations highlight the ongoing need for appropriate junior uniforms.

## Community Assistance Grant 2025/26 Round 2 Application Form: Community Assistance Grants 2025/2026 Application No. 01CAGP From George Town Cricket Club

Form Submitted 20 Feb 2026, 2:57PM AEDT

Providing new junior uniforms will directly remove a financial barrier for families, ensure all players are appropriately and safely equipped, and promote inclusion by allowing every child to feel valued and equal as part of a team. This project will support continued participation, improve player confidence, and strengthen the long-term sustainability of junior cricket within the George Town community.

### How many people do you estimate will directly benefit from this Project? \*

30

Must be a number.

Describe how this event will connect the broader community. Include volunteers of the project in this response.

### What long and short term benefits will your Project deliver to the George Town municipal area? \*

Short-term benefits include increased junior participation, improved inclusion, and a stronger sense of belonging for young players through consistent team uniforms. The project also reduces financial pressure on families and supports positive sporting experiences for children and young people.

Long-term benefits include stronger retention of junior players, the development of lifelong involvement in sport, and the strengthening of local sporting pathways. By supporting junior participation, the project contributes to a more active, connected and resilient community, aligns with Council priorities around community capacity building, and encourages ongoing volunteer and family engagement within the George Town municipality.

Must be no more than 150 words.

Please detail

## 4.3 Acknowledgement of Council's Assistance

### We would appreciate if your organisation would recognise council's contribution please describe how you will acknowledge the assistance of the George Town Council \*

Our club has the governance, financial systems, and volunteer capacity to successfully deliver this junior uniform initiative.

We are an established, community-based cricket club led by an active committee responsible for governance, budgeting, and compliance. Our Treasurer maintains transparent financial records and oversees all grant expenditure and acquittal processes to ensure funds are managed responsibly and in line with funding requirements.

The committee has experience coordinating apparel and equipment orders, working with suppliers, and managing timelines to ensure items are delivered before the season commences. We already administer junior registrations, team allocations, and equipment

distribution, giving us the systems needed to manage uniform sizing, ordering, stock control, and fair distribution to families.

This project aligns strongly with our commitment to accessibility and inclusion. We understand that upfront uniform costs can be a barrier to participation. By providing uniforms directly to junior players, we will reduce financial pressure on families and ensure every child feels a sense of belonging and pride when representing the club.

Clear processes will be implemented to ensure equitable access, with priority support available where needed. We will also monitor participation and retention to measure the impact of the initiative.

Through strong governance, responsible financial management, and a genuine commitment to removing barriers, we are confident in our ability to deliver this project effectively and sustainably.

Must be no more than 250 words.

Include in this section information about your strategies for providing the inputs (money, staff/volunteers time/expertise, equipment, facilities, in-kind contributions, etc.) and how you will project manage this event in the required timeframe, inclusive of risk management policy. Provide information also about any past work that may demonstrate your organisation's capacity to manage this event planning..

13/03/2026

If unknown, provide your best guess or leave blank

**Anticipated end date \***

30/04/2026

If unknown, provide your best guess or leave blank

**Please provide a brief description of the Project. \***

The purchase of 4 DHB Bowling Arms of various sizes, ie XS, S, L & XL so a member can determine the correct size before they purchase one for their use.

Must be no more than 100 words.

Please include details of the event, including location

**How did you determine a need for this Project. \***

The majority of our bowling members are over 70 years of age. Consequently, they are getting to the age where bending down to bowl is becoming problematic. It is proving difficult, read almost impossible, to attract new younger members as lawn bowls is seen as an older person's sport which couldn't be further from the truth.

To allow the Club to continue we need to provide assistance to these members. If we have bowling arms at the Club for members to try, before they invest in an arm, we will keep them not only at the Club but also in the sport.

This provides elderly community members to not only partake in exercise but allows them to continue to enjoy the social side of the Club.

**How many people do you estimate will directly benefit from this Project? \***

40

Must be a number.

Describe how this event will connect the broader community. Include volunteers of the project in this response.

**What long and short term benefits will your Project deliver to the George Town municipal area? \***

As people age they can often retreat from social activities. The opportunity to try before you buy will allow some of our more elderly members to continue to enjoy the sport of lawn bowls but equally importantly the social side.

Participating in sports offers numerous benefits for elderly individuals, including improved physical health, enhanced mental well-being, and increased social engagement.

Must be no more than 150 words.

Please detail

### **4.3 Acknowledgement of Council's Assistance**

**We would appreciate if your organisation would recognise council's contribution please describe how you will acknowledge the assistance of the George Town Council \***

- Letter of thanks to George Town Council

#### 3.1

**Briefly outline your organisation's background and current activities \***

The Weymouth Progress Association is in its 79th year as a community organisation.

The objectives of the Weymouth Progress Association Inc. (WPA) are the conservation, maintenance and management of the natural environment at Weymouth; the advancement, orderly planning and development of town of Weymouth; to promote a feeling of goodwill and cohesion amongst the Weymouth community; to work together to raise funds to provide better facilities for the Weymouth community and visitors to the area; and to work in harmony with the George Town Council and any other agencies, in order to achieve these aims.

Funds raised from WPA events are directed, with Community Consultation, towards improvements in and around the Weymouth area. These community priority initiatives are clearly defined in the WPA Strategic Plan which also aligns closely with the George Town Council Strategic Plan.

The Weymouth Progress Association strives to achieve the community's vision of a vibrant, engaged and diverse township through the provision of quality and affordable services, the usage of available assets and resources, the application of sound governance principles and prudent financial management and a focus on sustainability in all that we do.

### 4.1

**Project Title \***

Chipper/Mulcher

Provide a name for your project/program/initiative. Your title should be short but descriptive

**Anticipated start date \***

09/03/2026

**Anticipated end date \***

27/02/2026

If unknown, provide your best guess or leave blank If unknown, provide your best guess or leave blank

**Please provide a brief description of the Project. \***

The WPA intends to purchase a chipper/mulcher to assist with maintenance and control of vegetation in the WMBRA and walking tracks around Weymouth.

Must be no more than 100 words.

Please include details of the event, including location

**How did you determine a need for this Project. \***

Vegetation in the WMBRA and around walking tracks quickly becomes overgrown and requires ongoing pruning and maintenance. The chipper/mulcher would enable the WPA to manage excess growth and trimming of vegetation. This work is currently not undertaken by PWS. This would also help to ameliorate potential fire hazards and contribute to improved access for service vehicles along existing fire trails.

**How many people do you estimate will directly benefit from this Project? \***

190

Must be a number.

Describe how this event will connect the broader community. Include volunteers of the project in this response.

**What long and short term benefits will your Project deliver to the George Town municipal area? \***

Working in partnership with GTC, the WPA will be able to contribute to maintaining a safe and orderly natural environment. The natural beauty of the area will be enhanced and potential hazards of overgrown vegetation mitigated. This will contribute to an improved public perception of the surrounding areas and the levels of co-operation between the WPA

### 3. Organisation Details

\* indicates a required field

#### 3.1

**Briefly outline your organisation's background and current activities \***

Tamar FM is licensed as a community radio station with a general community interest. We provide information and entertainment 24X7 to the George Town and West Tamar areas. We are staffed wholly by volunteers.

**How Long has your organisation been operating in the George Town municipality**

\*

23 years

**How many active members do you have \***

10

**What sections of the community benefit directly from your organisation / group / club? \***

We provide entertainment and relevant information to all sections of the community. As well, we assist other community groups to publicise their events by means of Community Service Announcements, which are read out on air. We estimate about 3,000 of those announcements are made each year. As well, we have Broadcast Van which provides a no-cost facility that is available to all community groups in our broadcast area. It can be used to provide music, announcements, roving interviews or "on air" shows, to enhance and publicize the group's events. This is available to all community groups.

## 4. Project Details

**\* indicates a required field**

### 4.1

**Community Assistance Grant 2025/26 Round 2**  
**Application Form: Community Assistance Grants 2025/2026**  
**Application No. 06CAGP From Tamar FM Inc**  
Form Submitted 25 Feb 2026, 7:42PM AEDT

**Project Title \***

Replacement of Failed Outside Broadcast Van Equipment

Provide a name for your project/program/initiative. Your title should be short but descriptive

**Anticipated start date \***

03/03/2026

**Anticipated end date \***

24/04/2026

If unknown, provide your best guess or leave blank If unknown, provide your best guess or leave blank

**Please provide a brief description of the Project. \***

This s project is to replace a crucial piece of equipment in Tamar FM's Outside Broadcast Unit, which failed during our music broadcast at the George Town Christmas Parade. It is not considered viable to repair, and so it is proposed to replace it. The West Tamar Council has provided a partial grant for this project, this application is to "top up" those funds.

Must be no more than 100 words.

Please include details of the event, including location

**How did you determine a need for this Project. \***

The failed equipment is manufactured by a European firm called AEQ, model named "Alio". It is crucial to the operation of the OB Unit. We have been advised that it will take at least 10-12 weeks to repair overseas, which would impact us over the summer period and also our broadcast of the Anzac Day service. This is the second time the unit has failed, so we consider it to be no longer viable.

We have only informal pricing of a new unit, at around \$7500. A similar Australian product (made by Tieline, called a "Via" is \$7189 - see attached quote)). However, we can more economically achieve the same functionality by using separate "codec" and "mixer" units instead of a combined codec/mixer unit like Alio or Via. Using separate units will cost significantly less than the amount above (See attached quote for details).

**How many people do you estimate will directly benefit from this Project? \***

500

Must be a number.

Describe how this event will connect the broader community. Include volunteers of the project in this response.

**What long and short term benefits will your Project deliver to the George Town municipal area? \***

Tamar FM provides a high profile service to the community.

We are required by the licensing authority (the Australian Communications and media Authority, ACMA) specifically to "encourage members of the community that it serves to participate in: (i) the operations of the licensee in providing the service or services [...]". We do this by encouraging volunteers for operational and management tasks at the station , free on-air support for community events, and interviews with locally relevant people.

The Outside Broadcast Van is another aspect of that service. The next scheduled event is our broadcast of the Anzac Day service, which enables those who are unable to attend to be part of this important commemorative day. Longer term we provide music to George Town's annual Christmas parade. Other community events (for example the Sidmouth Car Show) that we can assist may occur with less notice.

Must be no more than 150 words.

## 5. Budget

\* indicates a required field

### 5.1 Budget

Please outline your project budget in the income and expenditure tables below, including details of other funding that you have applied for, whether it has been confirmed or not. Provide clear descriptions for each budget item in the 'Income' and 'Expenditure' columns

- **Your budget MUST balance which means your income and expenditure must be the same.**
- **EXAMPLES OF INCOME** could include Council's Community Grant', sponsorship, grants from other sources, contributions by the applicant or other project partners.
- **EXAMPLES OF EXPENSES** could equipment purchases, training resources, catering, payments to contractors,
- For expense items over \$250, quotes will need to be provided in the file upload area below the tables.
- Please **do not add commas** to figures - e.g. type \$1000 not \$1,000 - this will ensure your figures for each table total correctly.

#### GST STATUS

If your organisation **IS** registered for GST, please provide **GST exclusive** amounts in your budget. Council will add GST to the amount funded, should your application be successful. If your organisation **IS NOT** registered for GST, your expenses should **include GST**, where applicable.

**5.3 Total amount requested from grant? \***

\$1,894.90

What is the total financial support you are requesting in this application? ( maximum amount is 100% of your expenses indicated above)

## 6. Applicant Capacity

**\* indicates a required field**

**Now that we know about your project, we want to find out more about your organisation's ability to undertake the project you propose. Please provide some information about your organisation that will give us confidence that you can manage the project. \***

We propose to purchase the required equipment configured by the vendor and ready to operate. We will need to physically install it in the Outside Broadcast Van, plug supplied cabling into the existing equipment, and test it. This will minimise the "learning" curve for new equipment, and minimise the possibility of incorrect configuration.

The station managers are both experienced project managers, with strong commercial project experience. The estimated project effort includes documentation, and training of volunteers. There are no particular OHSW issues with the project. The project timeline allows for delivery and the "part time" nature of volunteer workers.

Must be no more than 250 words.

Include in this section information about your strategies for providing the inputs (money, staff/volunteers time/expertise, equipment, facilities, in-kind contributions, etc.) and how you will project manage this event in the required timeframe, inclusive of risk management policy. Provide information also about any past work that may demonstrate your organisation's capacity to manage this event planning..

## 7. Applicant Declaration

**5.1 Budget**

Please outline your project budget in the income and expenditure tables below, including details of other funding that you have applied for, whether it has been confirmed or not. Provide clear descriptions for each budget item in the 'Income' and 'Expenditure' columns

- **Your budget MUST balance which means your income and expenditure must be the same.**
- **EXAMPLES OF INCOME** could include Council's Community Grant', sponsorship, grants from other sources, contributions by the applicant or other project partners.
- **EXAMPLES OF EXPENSES** could equipment purchases, training resources, catering, payments to contractors,
- For expense items over \$250, quotes will need to be provided in the file upload area below the tables.
- Please **do not add commas** to figures - e.g. type \$1000 not \$1,000 - this will ensure your figures for each table total correctly.

**GST STATUS**

If your organisation **IS** registered for GST, please provide **GST exclusive** amounts in your budget. Council will add GST to the amount funded, should your application be successful. If your organisation **IS NOT** registered for GST, your expenses should **include GST**, where applicable.

GEORGE TOWN TAS 7253

Dear Gwenyth,

I understand the George Town CWA branch wishes to donate towards a portable ultrasound machine for the George Town Hospital, particular to assist in venous access and point of care ultrasound procedures by medical staff.

I applaud this idea and suggest you purchase a "Butterfly" system which is compatible with similar equipment we have at the George Town Medial Centre.

Kind regards
